care.herbhive@gmail.com

Established in the year 2014, Her Bhive is one of the prominent entities that manufacture, export and supply a wide range of 100% Herbal feed additives and nutrition supplements through an innovative and sustainable approach that can help boost the livestock and poultry industries across the globe. Based on natural components, our products include various Feed Additives, Feed Supplements, Antibiotics, Vitamins, Amino Acids, Herbal Multienzymes Powder, Herbal Phytase 5000/10000 Powder etc. that are not only cost effective but also lead to better results.

Located in Unnao (Uttar Pradesh, India), we have installed a huge and well-organized infrastructural facility that plays a prominent role in the development of our prolific products and services. Equipped with enhanced tools and machinery, our facility allows us to stay at par with the expectations of our clients while improving the production value manifold. This ensures that only extensively researched, tested and proven products reaches the market in bulk.

Our company has shown tremendous growth under the headship of our Director Mr. Prashant, whose competent guidance and value added services helps us to strive in this competitive domain. With his efforts and hard work of our team members, we are driven by the newest and the most developing global developments in its field, helping us to facilitate the following services:

- ◆ We offer completely pure, effective and authentic products
- ◆ We provide safe, convenient and hassle free delivery within the set time frame
- ◆ Our wide distribution network is well connected to reach any part of the world
- ◆ Clear pricing policy with utmost transparency
