## TESTAMENT OF SERVICE

Date: 06/10/2022

Dear Mechanical Engineering Industries,

Taking the opportunity to thank Pradip Ji for his services to our firm.

Mechanical Engineering Industries is a regular vendor for our steel needs. We have always appreciated the timely delivery of products. Having business terms with professional vendors like you is indeed a positive verity for our firm.

We express gratitude for the fact we have always received the same quality and size which was promised to us. There has never been a case of incorrect-grading of materials in any of your supplies to us.

As an essential business supply chain partner, Mechanical Engineering Industries has always accommodated our requests of bundling and repacking the materials according to our delivery needs.

We look forward to growing together.

Regards,

For Bansal Forging Industries,

FOR BANSEL FORGING INDUS.
