## Letter Of Gratitude

Date:11.10.2022

In favor of M/S MECHANICAL ENGINEERING INDSTRUES,

Please consider this as a letter of appreciation. We dealt with Mr. Chetan Jalan of M/s Mechanical Engineering Industries.

The products were recommended to us very aptly for our needs. His recommendation of getting the products center-cut saved us a considerable amount on transportation.

The service was top-notch and the delivery was on-time as well. We appreciate the e-invoice raised on us along with proper awaybill. These documents really helped us authenticate the supply and put our minds at peace.

We are eager to reach out to Mr. Chetan Jalan for our future steel requirements.

Thanking you,

Yours faithfully,  
Bikash Dhal,

BRPL,Odisha
