Located in Jamnagar (Gujarat), Panvel Brass Industries is one of the top manufacturers and suppliers of brass products in India. The company started its operation in the year 1998 and now, it is working on a large scale supplying its products to every corner of the nation. We are in this industry for more than 2 decades and have mastered every single aspect of our business. We are capable of understanding the exact requirements of our customers and fulfilling them in the best way possible.

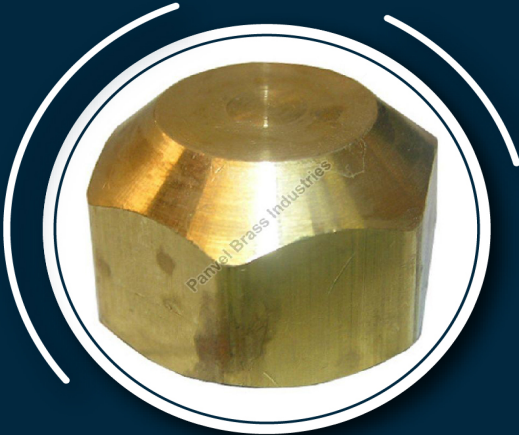

At Panvel Brass Industries, we offer world-class brass flare fittings, brass anchors, brass inserts, brass pipe fittings, brass hardware fittings, brass mixer grinders, and many more. With a wide assortment of brass products, we have made it easy for our customers to choose the suitable one as per their requirements. Panvel Brass Industries is uniquely positioned to handle small projects as well as big projects with the same level of attention to client requirements, cost-effectiveness, and quality.

We have a state-of-the-art infrastructure where all of our business activities including manufacturing, quality analysis, material handling, warehousing, order fulfillment, etc. are adroitly managed by our skilled and experienced employees. Our quality control experts conduct strict quality checks of our manufactured products. They work with utmost sincerity to bring products with zero manufacturing defects.

Our company's guiding principles and our industry expertise allow us to grow successfully establishing a distinct place in the industry. We ensure to serve all of our customers across the nation with the special attention they deserve.
