

Hirawat Industries is a decade-old name in the piping industry.

HIRAWAT INDUSTRIES is a decade-old name in the piping industry. We're a client-centric firm based in Chennai (Tamil Nadu) and serve as a manufacturer & supplier of multifarious pipes like electrical PVC rigid pipe, PVC conduit pipes, industrial PVC pipes, electrical conduit pipes, round PVC pipes, electrical wiring pipes, and more. With years of expertise, we've been engaged in the production of pipes crafted using authentic raw material acquired from licensed vendors in our network. An R&D team is accredited with the quality checks & procurement of different kinds of PVC pipes. Clients can easily place their bulk orders by dialing the numbers given on the website.

Hirawat Industries is the property of Mr. Naveen Hirawat. With his years of experience and expertise, he laid the cornerstone of the company in Chennai. The prime aim behind establishing the company was to provide PVC pipes to clients at competitive rates. Ours is a dedicated team of professionals that leaves no stone unturned in facilitating clients. Over the years, our clientele cobweb has spread beyond Chennai.

THE WAREHOUSE

We own a commodious warehouse equipped with different facilities. All approved pipes like electrical PVC rigid pipe, PVC conduit pipes, industrial PVC pipes, electrical conduit pipes, round PVC pipes, electrical wiring pipes, and more are stored in different sections defined. For the best hygiene, we regularly sanitize the warehouse premises and conduct temperature checks of the employees.

LOGISTICS BUREAU

Hirawat Industries has a dedicated logistics bureau that stands as a major pillar for the company. With their consistency, we're able to deliver orders across Tamil Nadu and other parts of the country through roadways, railways, and airways.

WHY US?

People choose us because:

- We have flexible payment policies
- All products are delivered on time
- Our vendor-base is verified
- We do not have surplus charges on products
