ABOUT US

Cleanotech India

Cleanotech India

We started our venture in 2021, and we at Cleanotech India are renowned manufacturers and suppliers of carpet shampooing machines, aircraft 110V/400Hz, and Steam Carpet Cleaning machines. We offer varieties of machines comprises Vacuum Cleaner, Scrubber Machine, Sweeper Machine, Car Washers, Polishing Machine, Aircraft Carpet Shampooing Machine, Walk Behind Auto Floor Scrubber, Automatic Scrubber Dryer Machine and Steam Cleaners. All the machines possess high cleaning qualities.

Our Infrastructure

We have contemporary and advanced machines for crafting and designing, with exceptional attributes like perfect design, ease of use, and better cleaning. We are incorporated with a professional team that designs and executes our range of cleaning machines. At our workplace, we perform the crafting process according to new market trends and global standards with the support of our employees and equipment.

Cleanotech India always crafts our machines keeping in mind the demands and latest choices of our clients. Fulfilling our clients needs has been our main target, and owing credit to these working principles, we are a renowned name in the cleaning industry.

Based in Noida, Uttar Pradesh (India), the company is professionally managed by Mr. Fateh Mohammed (the proprietor). He has years of experience and practise in supplying quality products. Having a good knowledge of the customers' tastes and needs, he has led our firm to grow and widen its horizons. With our pioneering designers and a team of highly skilled employees, we are answering the demand of the customers.
