# About Us

Tayyab Nourishers was established in the year 2022 in Karnataka, India. We are a manufacturer exporter and supplier of Talbina classic instant health drink powder, Talbina health mix and a lot more.

With the help of our experienced professionals, we have developed a wide base of authentic vendors. Our vendors ensure we deliver high-quality products as per the specific needs of clients.

We have selected these authentic vendors based on financial background, market reputation, past clients' response, ability to meet large and urgent orders, etc. Our outstanding management system makes a certain smooth business process that helps us gain tremendous success in this domain.

Owing to our ethical business policies and quality-centric approach, we have made us one of the most preferred names in the industry. Further, we facilitate our clients with easy payment modes to make a simple business transaction with clients.

## Why Us?

We have associated ourselves with one of the most trusted and reliable vendors in the industry. These vendors are selected by our procuring agents after doing extensive market research. With the help of the vendors, we can meet the bulk requirements of our valued customers within the pre-defined time.

## Following are some of the parameters on which our vendors are selected:

- Sound economic position
- Excellence control measures
- Market Credibility
- Manufacturing techniques
- Industry-leading prices
