Established as a Proprietorship firm in the year 2023, we Woody Bars are a leading Manufacturer, Supplier of a wide range of Eco Friendly Biomass Briquettes, Situated in Coimbatore, Tamil Nadu, We offer these products at reasonable rates and deliver these within the promised time-frame. Under the headship of Mrs. Umamaheswari, we have gained a huge clientele across the nation. We aim and concentrate at providing high quality briquettes to the customers.

Vision:

To create a sustainable, eco-friendly energy alternative by converting waste into high-density, cost-effective fuel. This vision includes mitigating air pollution, reducing reliance on fossil fuels, managing agricultural waste, and providing a renewable energy source for both industrial applications and households in developing nations.

Mission:

To develop the company into multi-fold and make it capable to sustain all marketing conditions. On its way to growth the company intends to create more jobs to engage the rural and urban unemployed. The company aims to diversify its sources to other areas of production of environmental friendly products in its future course of business.
