About Us

Edoburg

PIPING SYSTEMS

Edoburg, an ISO 9001 certified company, specialises in supplying high-quality piping systems that consistently meet stringent international standards, ensuring unparalleled performance of the piping systems. Our experienced team, equipped with extensive technical knowledge, coupled with our efficient operations and fast turnaround time, enables us to provide top-tier supply of piping products tailored to your needs.

Our Expertise

At Edoburg, we pride ourselves on our dedication to quality. Our comprehensive product portfolio includes PEX, PPR, PERT, HDPE, MDPE, PVC-C, PVC-U, and composite pipes. These products are engineered to meet stringent international standards, ensuring superior performance and durability.

Industries We Serve

- Chemical and Petrochemical
- Water and Wastewater
- Mining
- Power Generation
- Marine
- Construction
- Manufacturing
- Agriculture
- Pharmaceuticals
- Infrastructure

Global Reach

Strategically located warehouses in India, Vietnam, and China enable us to deliver our products swiftly and efficiently to customers across the globe. Our ISO 9001 certification underscores our commitment to maintaining the highest standards of quality in all our operations.

Why Choose Edoburg?

- **Quality Assurance:** Our products are manufactured to meet and exceed global standards, ensuring reliability and longevity.
- **Customer-Centric Approach:** We tailor our solutions to meet the specific needs of our customers, providing unparalleled support and service.
- **Innovation and Expertise:** Our experienced team brings extensive technical knowledge to every project, ensuring innovative and effective solutions.

Our Vision

Edoburg's vision is to become the global leader in supplying high-quality piping solutions, exceeding international standards and fostering innovation to ensure reliability and sustainability worldwide."
