Established in 2023, Vinix Biopharma Private Limited is a trusted Exporter, Supplier, and Trader of a comprehensive range of Oncology Medicines and specialty pharmaceutical products. Headquartered in India, we are committed to delivering high-quality, safe, and effective pharmaceutical solutions that meet international healthcare standards. Under the visionary leadership of Mr. Vinit Jain, our company has built a strong reputation for quality, reliability, ethical business practices, and customer satisfaction in the global pharmaceutical industry.

Our extensive product portfolio includes Pharmaceutical Injections, Pharmaceutical Tablets, and Pharmaceutical Capsules, featuring medicines such as Oxaliplatin Injection, Cisplatin Injection, Paclitaxel Injection, Capecitabine Tablets, Carbimazole Tablets, Tranexamic Acid Tablets, and several other oncology and specialty healthcare formulations. Every product is sourced from reputed manufacturers and supplied in compliance with stringent quality assurance and regulatory standards to ensure maximum safety and therapeutic effectiveness.

Supported by a dedicated team of 0–5 skilled professionals, we focus on timely delivery, competitive pricing, transparent business dealings, and personalized customer support. Our worldwide distribution network enables us to efficiently serve hospitals, pharmaceutical distributors, healthcare institutions, and medical professionals across various international markets.

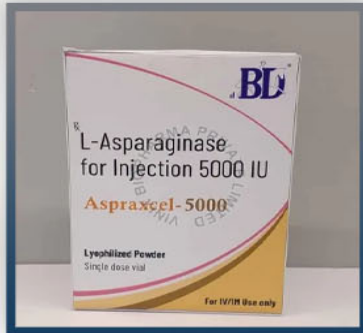

At Vinix Biopharma Private Limited, our core strengths include Premium Quality Products, Global Export Capability, Ethical Business Practices, Reliable Supply Chain, Customer-Centric Approach, and Long-Term Business Relationships. We remain committed to contributing to the healthcare industry by providing dependable pharmaceutical solutions that improve patient care and support better treatment outcomes worldwide.
