

# **Romania** *Water* Let's Save Blue & Green

Established in the year 2021, Romania Water Project Enterprises is a manufacturer, exporter and supplier of high-quality flow metres, water softeners, and air quality monitors. Under the direction of our qualified personnel, the provided goods are carefully created utilising high-quality certified components and cutting-edge technology. The component that is utilised to make these items is bought from the most reputable suppliers in the market and put through a variety of quality tests.

# About Us

Established in the year 2021, Romania Water Project Enterprises is a manufacturer, exporter and supplier of high-quality flow metres, water softeners, and air quality monitors. Under the direction of our qualified personnel, the provided goods are carefully created utilising high-quality certified components and cutting-edge technology. The component that is utilised to make these items is bought from the most reputable suppliers in the market and put through a variety of quality tests.

## Our Team

We have achieved a respectable place in the business thanks to the assistance of our extremely knowledgeable and skilled industry professionals. Due to their dedication and willingness to collaborate with customers, our employees are highly skilled in the most recent technology, allowing us to offer a perfect selection of goods to our customers.

## Quality Assurance

Our company's success is based on quality. We are equipped with a group of knowledgeable quality inspectors that are experts in their field. These experts keep a close watch on both the manufacturing and procurement phases. They execute a series of quality tests using cutting-edge machinery to ensure high safety standards and a defect-free product.

## Why Us

Because we offer a wide variety of top-notch items to our valued customers, we have established a solid reputation in the business. The following are the main reasons why we have gained the respect of our clientele on the global market:

Variety of international quality standards

A factory with good equipment

A skilled group of industrial designers, engineers, and other support personnel

# Our Products

## Effluent Treatment Plant

Business Type	:	Manufacturer, Exporter, Supplier
Automatic Grade	:	Semi Automatic
Installation Type	:	Complete Civil Work
Capacity (KLD)	:	50 KLD

## Industrial Water Softener

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Industrial
Color	:	White
Automatic Grade	:	Automatic

## Multigrade Water Filter

Business Type	:	Manufacturer, Exporter, Supplier
Water Source Type	:	Industrial Wastewater
Treatment	:	Technique RO
Capacity	:	50m3 Per Day

## Online Water Analyzer

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Industrial
Brand Name	:	Romania
Dimension	:	420 x 360 x 200 mm

## Air Genius Air Quality Monitor

Business Type	:	Manufacturer, Exporter, Supplier
Brand Name	:	Air Genius
Usage/Application	:	Indoor Air Quality
Accuracy	:	+/- 1%

## Romana Ambient Air Quality Monitor

Business Type	:	Manufacturer, Exporter, Supplier
Voltage	:	220V
Driven Type	:	Electric
Frequency	:	60 Hz

# Our Products

## Romana Online Continuous Emission Monitoring System

Business Type : Manufacturer, Exporter, Supplier  
Brand : Romania  
Automation Grade : Automatic  
Size : 19 X 10.5 X 3.5 cm

## Electromagnetic Flow Meter

Business Type : Manufacturer, Exporter, Supplier  
Usage : Industrial  
Size : 2 Inch  
Display : Digital

## Ultrasonic Flow Meter

Business Type : Manufacturer, Exporter, Supplier  
Brand Name : Romania  
Material : Plastic  
Usage : Buses

## Water Flow Meter

Business Type : Manufacturer, Exporter, Supplier  
Usage/Application : Residential  
Size : 4 Inch  
Material : Stainless Steel

## Kane 958 Flue Gas Analyzer

Business Type : Manufacturer, Exporter, Supplier  
Model Name/No. : 958  
Brand : Kane  
Usage/Application : Boiler Inspection

## Sox Nox Gas Analyzer

Business Type : Manufacturer, Exporter, Supplier  
Paint Type : Emulsion  
Finish : High Gloss  
Analog Output : 20mA

# Our Products

## Bag Filter Type Dust Collector

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Dust Collecting
Weight	:	100-1000kg
Voltage	:	220V

## PTZ Dome Camera

Business Type	:	Manufacturer, Exporter, Supplier
Camera Tech.	:	Digital Camera
Camera Res.	:	2 MP
Camera Range	:	20 m

## Diesel-to-CNG Conversion Kit

Business Type	:	Manufacturer, Exporter, Supplier
Material	:	Mild Steel
Application	:	Industrial
Lighter Type	:	Gas Lighter

## Retrofit Emission Control System

Business Type	:	Manufacturer, Exporter, Supplier
Usage/Application	:	DG Set
Brand	:	Romania
Model Name/No.	:	7100

## Kane 958 Flue Gas Analyzer

Business Type	:	Manufacturer, Exporter, Supplier
Model Name/No.	:	958
Brand	:	Kane
Usage/Application	:	Boiler Inspection

## Air Pollution Monitoring System

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Air Monitoring Pollution System
Application	:	Pollution Control
Material	:	Mild Steel

# Our Products

## Fine Particulate Sampler

Business Type	:	Manufacturer, Exporter, Supplier
Weight	:	25 Kg
Airflow	:	5 LPM
Dimension	:	420 x 380 x 930 mm

## Portable Multi Gas Detector

Business Type	:	Manufacturer, Exporter, Supplier
Detector Type	:	Fixed Multi Gas
Brand	:	Oceanus
Model	:	OC-1000

## COD Digester

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Laboratory Use
Display	:	Digital
Hole Size	:	25mm X 6 Hole

## COD Analyzer

Business Type	:	Manufacturer, Exporter, Supplier
Shape	:	Rectangle
Application	:	Industrial Use
Automation Type	:	Automatic

## Portable Water Quality Meter

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Industrial
Brand	:	Romania
Size	:	4 Inch

## Automatic Groundwater Level Recorder

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Groundwater Level Recorder
Brand Name	:	Romania
Display Type	:	Digital

# Our Products

## Commercial RO Plant System

Business Type	:	Manufacturer, Exporter, Supplier
RO Capacity	:	2000 (Liter/hour)
Purification Type	:	Reverse Osmosis
Material	:	Stainless Steel

## BOD Incubator

Business Type	:	Manufacturer, Exporter, Supplier
Material	:	Stainless Steel
Application	:	Industrial Use
Voltage	:	240V

## Sewage Treatment Plant

Business Type	:	Manufacturer, Exporter, Supplier
Capacity (KLD/MLD)	:	50 KLD
Feed Flow Rate (m3/day or m3/hr)	:	0-50 m3/day
Water Pump Power	:	0.5 KW

## Online Do Meter

Business Type	:	Manufacturer, Exporter, Supplier
Type of pH Meter	:	Portable
Usage/Application	:	Industrial
Weight	:	700 g

## Portable CO2 Meter

Business Type	:	Manufacturer, Exporter, Supplier
Measuring Range	:	CO2 0 - 9999 ppm
Weight	:	5 Kg
Fire Rating	:	113 B
