About Us

Incepted in the year 2021, NJ Flow India Pvt. Ltd. is a prominent manufacturer and supplier of a wide range of bathroom accessories. Our product range includes bib cock taps, angle cock taps, pillar cock taps, sink cock taps, swan neck taps, plastic flush tanks, plastic toilet seat covers, ABS bathroom showers, Jaguar bathroom faucets, ABS chrome plated shower brackets, stainless steel flexible tubes, etc.

We are very well aware of the water quality of different regions in India and manufacture our products to suit every environment and meet specific requirements of our customers. All of the products are manufactured using high-quality, 100% virgin materials and advanced technology in accordance with international quality standards. These products are known for their efficiency, less maintenance, easy installation, rust resistance, world-class designs, durability, etc. We offer our products with different specifications in order to meet the diverse needs of our customers.

We have a state-of-the-art infrastructure that is spread over a large area in Rajkot (Gujarat). This work setup is outfitted with technologically advanced machines and equipment to deliver small or large volumes of orders in an appropriate manner. We have an in-house R&D facility that enabled us to develop innovative and quality products in compliance with the industry set standards.

At NJ Flow India Pvt. Ltd., we have a team of highly trained, qualified, and professional staff including manufacturing experts, technicians, supervisors, support staff, and other personnel. Owing to their sincerity, responsiveness, and total commitment, we accomplish all our tasks within the promised time frame.

With our ethical business policies, fast delivery, economical prices, and custom-oriented approach, we strive continuously to increase the number of satisfied customers all around the nation.
