ABOUT US

Shree Banashankari Oil Mill, established in the year 2022 in Bagalkot, Karnataka, is a renowned provider of high-quality groundnut oil. We have excelled in the industry and built a strong image for ourselves. In order to build a solid position centred on our own made goods, we have continuously developed.

Our products are highly popular and have a sizable market share. Our shorting and cleaning method enables us to select the best seeds for oil extraction, guaranteeing the greatest level of quality. Numerous stages of testing are done to make sure the final product is of the greatest hygienic standard. The brightest minds in the field have been hired to work with us.

Our Team

We are supported by a qualified and professional team of specialists. Our team of qualified experts ensures that only the best raw materials are utilised to supply Groundnut Oil thanks to their extensive industry experience. Their first objective is to ensure total client satisfaction.

Quality Assurance

With a strong commitment to quality, we make sure to provide consumers with Groundnut Oil of the highest calibre. We've used a shorting approach since the company's inception to choose the best seeds for oil extraction. When offering the products we offer, we adhere to established industry standards. Additionally, we use state-of-the-art machinery and premium materials to process our products.
