# About Us

Fancy India Corp. is a professionally managed company involved in manufacture and export of Gas Mantles, Natural Extracts, Natural Colours, Essential Oil, Floral Concentrates, Herbal Soap, Hair Care Products and various other products. Fancy Industrial Corporation was established in the year 1972 by Mr. Divyesh Shah, whose ample experience has nourished the roots of company. The quality of our product is in accordance to the global standards, thus our products are hugely demanded in various quality sensuous markets. To further expand our business and meet growing international demands we started two sister concerns.

Our state of the art manufacturing set up is endowed by latest machineries and equipment, located in Maharashtra, India. An assiduous team of skilled workers and qualified professional is the back bone of our quality production. We adopt most rigorous manufacturing process to ensure products with zero defects. Our commitment to quality and well in time shipment has positioned us amongst industrial leaders.
