# About Us

Pack Knack is a distinguished Manufacturer, Exporter, and Supplier of a wide range of Plastic Products. The company was established in 2008, at Bengaluru, Karnataka. Under the guidance of Partner, Mr. Kalpesh Shah, we are scaling new heights of success. His ceaseless efforts and innovative mindset have enabled us to carve a niche in the Global Market.

## Team

We are backed by a team of expert professionals, which is responsible for the entire operation of our organization. Our professionals are selected after their skills and qualifications have been evaluated to meet industry standards. We have a well framed recruitment process, which enables us to select the best talents of this industry. In our team, we have the following professionals:

### Research & Development experts

- Engineers and technicians
- Quality controllers
- Sales and marketing executives

Â Owing to the hard work and dedication of the professionals, we are able to deliver a quality range of Plastic Trays and Containers.

## Quality Assurance

Being a quality conscious organization, we have adopted quality as our main motive. Our range of Plastic Trays and Containers is manufactured using high grade plastic, which is procured from renowned vendors. Moreover, our range of Packaging Machines is manufactured using precision engineered components. Our quality controllers closely monitor every stage of production, so that flawless range is delivered to the clients.
