Shipra Jewellery

Shipra Jewellery, established in the year 2018, is a well-known brand that specialises in supplying, distributing, and trading an attractive selection of Artificial Jewelry Sets. We sell artificial earrings, top earrings, openable kada bracelets, etc. All of the jewellery is skillfully crafted by talented artisans who can provide customers with an unmatched variety.

ABOUT US

Shipra Jewellery, established in the year 2018, is a well-known brand that specialises in supplying, distributing, and trading an attractive selection of Artificial Jewelry Sets. We sell artificial earrings, top earrings, openable kada bracelets, etc. All of the jewellery is skillfully crafted by talented artisans who can provide customers with an unmatched variety.

Our customers laud the great fashion appeal of the replica jewellery we offer. Additionally, our collection's stunning qualities—exquisite craftsmanship, modern designs, distinctive patterns, enduring lustre, detailed patterns, and superb polishing—are what make it so popular with customers.

Quality Policy

Quality is extremely important to us. As a result, we do a lot of effort to keep the quality of our products high. The product has a superior appeal, exceptional sheen, and a perfect finishing thanks to the use of the finest raw materials in line with established industry standards.

After production, the given product is delivered to our team of quality specialists, who carefully inspect and correct any manufacturing flaws.

Team of Experts

We have assembled a committed team of experts, and they are the foundation of our business. Due to their exceptional talent, each of our employees guarantees that an unrivalled selection of leaves our facility. Despite coming from varied backgrounds, every member of our team is skilled in a variety of jewellery-making and design approaches, which embodies perfection.
