About US

Headquartered in Jamnagar (Gujarat, India), Deemark Bath Fittings is a world renowned name famous to provide a one stop solution for all the bathroom fittings and accessories that are extremely popular all over the globe. We are a prominent manufacturer, exporter and supplier of perfectly designed Pillar Cock, Long Body Basin, Mixer Bath Spout, Bib Cock, Wall Mixer, Flush Cock, Shower Head, Health Faucet and so much more.

We started our journey in the year 2013 under the leadership of our founder, Mr. Subhash B. Bordia and since then we have gained huge expertise in manufacturing cutting edge products that are not only convenient and durable but luxuriously crafted to cater the existing lifestyle of people. Our Products are ISI Certified and we are in a very strong position to serve the certified product market which mainly covers supplies to Government and semi government institutions.

We produce products with 100% corrosive resistant material that can take any kind of water pressure, is easy to clean, require low maintenance and gives extended reliable service. Our production process is conducted with the latest technology and tools under the supervision of our experts who ensure that all the products meet the international quality and safety standards of this industry. Thus, we are able to proudly state that our production process is also certified with ISO.

Our infrastructure is masterfully sectioned into various units of procurement, production, R&D, packaging, warehousing, client services unit etc. that has allowed us to cordially make the best use of all the resources, tools and amenities with perfection. This has led to our profitable growth with happy and satisfied clients all over the world.

At Deemark Bath Fittings, we have a team of experienced, trained and responsible personnel who leave no stone unturned to complete all the commitments in promised time frame. They efficiently handle all our operations to regularly update our range, extend its features, give customizable options and many other facilities to our clients such as prompt delivery, cost effective pricing policy and transparent transactions.
