Poplin Cotton Fabric

Established in 2009 by Mr. Keshav Agarwal, Pushpa Multi Texfab Private Limited is a trusted manufacturer, exporter, and supplier of premium quality 100% cotton fabrics. With a dedicated team of 26–50 skilled employees, we have built a strong reputation in the textile industry for offering superior fabric quality, timely delivery, and customer satisfaction. Our extensive product range includes Poplin, Plain, Twill, Drill, Duck, Satin Stripe, Sheeting, Slub Grey, and Canvas cotton fabrics, available in a variety of GSM options from 85 GSM to 390 GSM. Each fabric is crafted with precision using high-grade cotton, ensuring durability, smooth texture, breathability, and versatility. These fabrics are widely used for garments, uniforms, home furnishing, upholstery, industrial applications, and printing or dyeing processes. We offer fabrics like 100 GSM Poplin Cotton, 140 GSM Plain Cotton, 160 GSM Drill Cotton, 180 GSM Duck Cotton, 220 GSM Canvas, and 265 GSM Tussar Cotton, among many others. Our modern infrastructure and quality-focused approach help us maintain strict standards, delivering products that meet both domestic and international requirements. At Pushpa Multi Texfab, we emphasize innovation, quality control, and customization to meet the diverse needs of our clients. All fabrics are manufactured using advanced looms and are carefully inspected before dispatch. With a strong presence in Silora, Kishangarh (Ajmer), Rajasthan, we supply to various garment units, textile exporters, and industrial fabric buyers across India and overseas. Our mission is to provide premium fabrics at competitive prices while ensuring long-term business relationships based on trust and quality.
