ABOUT US

MySore Liji Fragrance

Based in Trichy (Tamil Nadu), MySore Liji Fragrance brings forth a wide collection of Incense Sticks, Incense Cones, Flora Bathi and Sumangali Kasthuri Manjal Herbal Powder. We entered the market in the year 1995 and over these years, we have created a wide distribution network making goods available in various parts of the world. We have done this under the expert guidance of Mr. Baskaran (Managing Director).

● Our Team

The phenomenal growth of our organization is because of the consistent efforts by our team of enthusiastic professionals.

● Our team comprises :

- ▶ Sales and marketing professionals
- ▶ Procuring agents
- ▶ Production managers
- ▶ Perfume experts
- ▶ Quality controllers

● Promise for Quality

With our strict quality policy, we have created a new benchmark and retained the trust of our clients. Our efforts are directed towards creating a product range, which complies with set industry standards. Our quality supervisors keep an eye on the entire production process. We check every formulation before it is finally delivered to the clients.

● Our Logistics Department

Our logistics department has a fleet of vehicles making delivery to the customer's desired destination at the said time. We offer services on either a normal or heavy load basis based on the requirements of our clients.
