SHREE KESHAR GROUP is a company consisting of entrepreneurs thriving to provide innovative and economical solutions to existing and future industrial problems in an innovative way.

SKG is a very fast-paced growing company. In a short span of time, we have become a leading provider of Process Engineering Solutions, Manufacturer of a variety of Specialty Chemicals and Measuring Instruments. Currently, we are capable enough to tackle any significant project according to the need and demands of the client. At SKG, we also provide suggestions for existing drawings or buildings to optimize resources. Our services are widespread:

Process Engineering: With a determination of providing the most optimal and robust solution, our service in the field of process engineering is one of the best:

- ✓ Process Equipment Installation
- ✓ Piping Projects
- ✓ Heavy Equipment Installation
- ✓ Heavy Equipment Manufacturing
- ✓ One-stop engineering solution

Specialty Chemicals: We provide a variety of specialty chemicals serving different industries:

- ✓ Pulp and Paper
- ✓ Boiler and Cooling Water Treatment Chemicals
- ✓ Reverse Osmosis, Water & Solid Waste Treatment Plant
- ✓ Fuel Treatment

Instruments: We produce high-quality instruments such as:

- ✓ Pressure & Temperatur Gauge
- ✓ Sensors i.e. Thermocouple, RTD, etc.
- ✓ Rotameter
- ✓ Various accessories

SKG has always been persisting in technical innovation, and product improvement, so as to provide our partners and customers with better products experience and services. We always welcome the suggestions from our clients with positivity. We also look into the future to put our resources into developing next-generation instrumentation products that meet various market demands and technologies. With time we meet and exceed our client's expectations and that's what we desire to achieve with time and the same is our driving force. We move ahead understanding the market, client, and with the concept and motto of "IMAGINATION BEYOND RE-ENGINEERING".

With this, we wholeheartedly welcome you to SHREE KESHAR FAMILY.

● Business Mantra

SK Group places a premium on ethics, commitment, and integrity, which have always been the company's guiding principles for delivering comprehensive client satisfaction. SK Group, as a forward-thinking company, aspires to reach every corner of the globe and become a true worldwide leader in the engineering business.

● Vision

Serve society by meeting its need for general instruments and gaining strength from the chemical engineering category's diversity of products and services.

Name of Company Founder
Rikunj Suthar

Nature of Business
Manufacturer, Exporter & Supplier

Year of Establishment
2021

Alkalinity Builder Chemical

Bio Dispersant

Biocides Chemical

Boiler Antiscalant Chemical

Corrosion Inhibitor

Neutralizing Amine

Oxygen Scavengers

Scale Inhibitor

Sludge Conditioner

RO Antiscalant

RO Membrane Cleaning Chemical

Zero TDS PH Booster

Composting Culture

Decolorizing Agent

Dewatering Flocculants Chemical

Evaporator Antiscalant

Flocculant Chemical

Industrial Defoamer

Odor Control Enzyme

STP Bio Culture

Water Coagulant

Contamination Control Biocide

Molasses Preservative

Colour Precipitant

Fireside Additive
