About Us

Akbar International introduces itself as a reliable supplier of metal wire fruit baskets, metal wire hanging baskets, and metal wire vases. We manufacture these products using premium-grade components and the best techniques. Based in Moradabad (Uttar Pradesh), we supply our products to every part of the country and have maintained a wide network with various vendors in the local market to source the best raw materials for our products.

We have a team of experienced and skilled artisans who craft the aforementioned products in stunning designs and finishes. We have also appointed other individuals in our team, who have acquired great experience in their specific job roles. They keep a strict eye on the entire business process starting from the right raw material procurement to the manufacturing process and from quality testing to distribution. The range of metal wire products that we deal in is rechecked by our expert team before delivering to the client's place. We ensure that our customers will get products according to their needs and expectations.

At Akbar International, we ensure that the offered metal wire products are crafted in adherence to the required quality standards. We take all possible initiatives to become the most preferred organizations to deal with. With our customer-focused approach, transparent business policies, and reasonable pricing structure, we aim to become a leading player in this domain. We are also capable to accept big orders and complete them on time.
