APLIFSCIENCE@GMAIL.COM

Located in Surat (Gujarat), we, AP Lifescience, are involved in manufacturing, exporting, and trading a wide range of herbal & healthcare products. We deal in products like turmeric extract tablets, spirulina tablets, moringa tablets, Triphala extract tablets, wheatgrass tablets, ashwagandha extract tablets, etc. We started our journey in 2020 and are recognized as one of the trusted herbal products exporters and suppliers in India.

Quality Assurance

We have joined hands with some of the genuine vendors in the market, who provide us with quality herbs and other ingredients. They greatly support us in maintaining our manufacturing process and supply chain. Our offered products are manufactured by professionals after various research and experiments. We ensure that the offered tablets are formulated with the exact composition of genuine ingredients and are highly effective in targeting specific health conditions. Our products are manufactured as per the guidelines of the FDA and are absolutely safe to consume having no side effects. All of the manufactured products are tested in our in-house testing lab to ensure their purity & effectiveness.

Our Infrastructure

Our advanced infrastructure contributes considerably to meet the demands of our customers. The facility is well-resourced with all the necessary machines and the latest technology which makes us efficient in producing our products in large volumes and accomplishing all the activities in our business in an appropriate manner.

We also have a well maintained & temperature-controlled storage facility on our premises, which is suitable for storing our herbal product stocks safely.

Why Us?

Here are some of the key factors that make us different from others in the market:

- We have been engaged in the production of many innovative formulations of herbal products.
- We can provide our products with customized packaging for each of our customers.
- Our quality management system strictly complies with international standards.
- We follow ethical trade practices.
- Our products are available at market-leading prices.
