# ABOUT US

Our company, AKPCL Producer Company Limited, is a known name in the field of food grain and dairy product trading. Since our inception in 2018, we are aiming to fulfill the needs of our customers with the best quality products. We highly concentrate on maintaining the highest standards of quality of our products. Our offered product range mainly comprises basmati rice, non-basmati rice, black wheat, JIN-45 wheat, desi ghee, fresh milk, fresh paneer, etc. These products are produced or processed under the close supervision of professionals. We offer our products at the best prices and deliver them within the committed time period.

Under the best guidance of our Owner, Mr. Vijay Prakash Singh, we have emerged as a notable entity in the marketplace. He has acquired great industrial experience enabling us to better understand and meet the actual needs of our customers.

We have employed adept professionals in our firm that keep themselves abreast with new & advanced techniques to produce the product range that we offer. Each of the employees strives hard to improve the organization's production capacity and attain the defined business targets within the scheduled time. In addition to this, we also have a quality control unit, wherein, we check our entire range of products on certain parameters to ensure their quality. Our products are packed in high-quality packaging materials and stored in suitable conditions to avoid contamination and degradation.

We, at AKPCL Producer Company Limited, make every effort to establish a great status in the industry and provide superior varieties of grains and dairy products to our customers. We are widely acclaimed for our customer-focused approach, competitive prices, and sincerity.
