# ABOUT US

At Vishvamitra Packaging, we are committed to making sustainability simple and reliable. Our compostable bags are crafted from high-quality corn starch and PBAT blends, ensuring strength, durability, and eco-friendliness. With government-approved certifications (CPCB & State Pollution Board), every bag we produce meets strict environmental and quality standards.

Our modern in-house production unit allows us to handle both small and bulk orders with ease. Backed by strict quality control and a strong logistics network, we guarantee timely deliveries and dependable service.
