

REGIONAL OFFICE  
C.G. Environment Conservation Board  
Commercial Complex, C.G. Housing Board Colony, Kabir Nagar, Raipur (C.G.)

No. 4762 /RO/TS/CECB/2023

Raipur, Dated: 10/02/2023

To,

**M/s Vishvamitra Packaging**

Kh.No. – 109/1, Gogaon,  
Raipur (C.G.)

Sub: Grant of Consent of the Board under section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention and Control of Pollution) Act, 1981.

Ref: Your on-line application no. 11863290, dated 24.01.2023 and subsequent correspondence ending dated 10.02.2023.

With reference to your above application, consent under Section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 are hereby granted for a period of twelve months from the first day of the month of commissioning of the plant, subject to the fulfillment of the terms and conditions annexed hereto as **PART 'A' & 'B'** respectively.

These consents are valid for following products & production capacity: -

	<b>Name of Product</b>	<b>Production Capacity</b>
1	Carry Bags, Packaging Bags & Garbage Bags of Biodegradable/ Compostable Plastic	1900 M.T./Year (One Thousand Nine Hundred Metric Ton Per Year)

Please acknowledge the receipt of this letter.

For & on behalf of C.G. Environment Conservation Board

Regional Officer  
Regional Office, C.G. Environment Conservation Board  
Raipur (C.G.)

Endt.No. 4763 /RO/TS/CECB/2023 Raipur, Dated: 10/02/2023

Copy to :- Executive Director (Raipur Region), Chhattisgarh State Power Distribution Company Ltd., Gudiyari for information & necessary action please. The electricity connection to the unit may be given w.r.t. above mentioned consent.

Regional Officer  
Regional Office, C.G. Environment Conservation Board  
Raipur (C.G.)

## **PART-A**

### **CONSENT LETTER**

Sub: Grant of Consent to **M/s Vishvamitra Packaging, Kh.No. – 109/1, Gogaon, Raipur (C.G.)** for the discharge of effluent under section 25 of the Water (Prevention & Control of Pollution) Act, 1974.

Ref: Your on-line application no. 11863290, dated 24.01.2023 and subsequent correspondence ending dated 10.02.2023.

- 1 With reference to the above application for consent to discharge effluent into the natural water courses under the Water (Prevention & Control of Pollution) Act, 1974, here-in-after referred to as the Act **M/s Vishvamitra Packaging, Kh.No. – 109/1, Gogaon, Raipur (C.G.)** is authorized by the State Board to discharge its industrial and other effluents arising out of their premises into the local stream/river/well in accordance with the general and special conditions as mentioned in the Annexure.
- 2 This consent shall be valid for **12 months from the first day of the month of commissioning of the plant.**

This consent is valid for following products & production capacity : -

	<b>Name of Product</b>		<b>Production Capacity</b>
1	Carry Bags, Packaging Bags & Garbage Bags of Biodegradable/ Compostable Plastic	●	1900 M.T./Year (One Thousand Nine Hundred Metric Ton Per Year)

For & on behalf of C.G. Environment Conservation Board

Regional Officer  
Regional Office, C.G. Environment Conservation Board  
Raipur (C.G.)

Enclosure: Annexure.

**(I)**  
**ANNEXURE**

**Location of factory :-** **M/s Vishvamitra Packaging,  
Kh.No. – 109/1, Total Area-0.0185 Hectare at Gogaon,  
Raipur (C.G.)**

**Vide consent No. 5430 /RO/ Raipur / NP/ TS /CECB/2023, Dt. 10.02.2023**

**A. GENERAL CONDITIONS: -**

1. All discharges authorized shall be consistent with terms and conditions of this Consent facility expansions, production, increases or process modifications which result in new or increased discharges of pollutants must be reported by submission of a new Consent, application or if such new, or increased discharge does not violate the effluent limitations specified in the Consent, by submission to the Board details of such new or increased discharges of pollutants in which case the consent may be modified to specify effluent limitations for any pollutants not identified and limited here in the discharge of any pollutant more frequently than or at a level in excess of that identified and authorized by the Consent shall constitute a violation of the terms and conditions of the Consent.
2. After notice and opportunity for the hearing, this consent may be modified, suspended or revoked by the Board in whole or in part during its term for cause including, but not limited to the following: -
  - (a) Violation of any terms and conditions of this Consent.
  - (b) Obtaining this Consent by misrepresentation of failure to disclose fully all relevant facts.
  - (c) A change in any condition that requires temporary or permanent reduction or elimination of the authorized discharge.
3. Notwithstanding para (2) above, if a toxic effluent standard or prohibition (including any schedule of compliance specified in such effluent standard or prohibition) is established for a toxic pollutant which is present in the discharge authorized here in and such standard or prohibition is more stringent than any limitation upon such pollutant in this Consent the Consent shall be revised or modified in accordance with the toxic effluent standard or prohibition that the Board may consider and the applicant shall be so notified.
4. The applicant shall allow the staff of Chhattisgarh Environment Conservation Board and/or their authorized representative, upon the Presentation or credentials:
  - (a) To enter upon the applicant's premises where an effluent source is located or in which any records are required to be kept under the terms and conditions of this Consent.

- (b) To have access to and copy at reasonable times any records required to be kept under the terms and conditions of this Consent.
- (c) To inspect at reasonable times any monitoring equipment or monitoring method required in this Consent; or
- (d) To sample at reasonable times any discharge or pollutants.

5. The Application shall at all times maintain in good working order and operate as efficiently as possible all treatment or control facilities of system installed or used by him to achieve compliance with the terms and conditions of this Consent.

6. The issuance of this Consent does not convey any property rights in either real or personal property or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any infringement of Central, State or local laws or regulation.

7. The Consent does not authorize or approve the construction of any physical structures or facilities or the undertaking of any work in any watercourse.

8. The specific effluent limitations and other pollution controls applicable to the discharge permitted here in are set forth below specific conditions. Also sets forth below are self-monitoring and reporting requirements. Unless otherwise specified, the applicant shall submit duplicate original copies of all reports to the Chhattisgarh Environment Conservation Board. Except for date determined to be confidential all such reports shall be available for public inspection at the office of the Chhattisgarh Environment Conservation Board. Knowingly making any false statement on any such report may result in the imposition of criminal penalties as provide for in section 42 of the Act.

#### **B. SPECIAL CONDITIONS: -**

1. Initial Effluent limitation during the period beginning on the effective date of this consent and lasting until **One Calendar Year** discharge from outfalls shall be limited and monitored by the applicant as specified below: -

(a) The following shall be limited by the applicant as specified.

S.No.	Effluent Characteristics	Discharge Limitation				Monitoring Requirements	
		Average		Maximum		Frequency of Measurement*	Type of Sample†
		Mg/l	Kg/Day	Mg/l	Kg/Day		

\* Daily/Weekly/Monthly/Tri-monthly.

† Grab/24 Hours Composite

In Addition to above discharge shall be limited and monitored as specified below:

S.No.	Effluent Characteristics	Discharge Limitation				Monitoring Requirements	
		Average		Maximum		Frequency of Measurement*	Type of Sample†
		Mg/l	Kg/Day	Mg/l	Kg/Day		

\* Daily/Weekly/Monthly/Tri-monthly.

† Grab/24 Hours Composite

For the purpose of this sub-section, the daily average discharge is the total discharge by weight during the calendar month divided by the number of days in month the production or commercial facility was operating for the purpose of the sub-section the daily maximum discharge means the total discharge by weight during any calendar day.

(b) The PH shall not be less than 5.5 or greater than 9.0

2. Final effluent Limitation: - During the period beginning 1st day of the month of commissioning of the industry and lasting until the date of expiration of this Consent, discharge from the outfalls shall be limited and monitored by the applicant as specified below:-

(a) The following shall be limited and monitored by the applicant as specified.

S.No.	Effluent Characteristics	Discharge Limitation				Monitoring Requirements	
		Average		Maximum		Frequency of Measurement*	Type of Sample†
		Mg/l	Kg/Day	Mg/l	Kg/Day		
1	B.O.D.	--	--	30	0.015	Monthly	24 hours Composite
2	C.O.D.	--	--	250	0.125		
3	S.S.	--	--	100	0.050		
	pH 5.5 to 9.0 Flow : 0.5 m <sup>3</sup> /day					Daily	Grab

\* Daily/Weekly/Monthly/Tri-monthly.

† Grab/24 Hours Composite

Additionally, outfalls shall be monitored as follows:

(i) Flow, Temperature and Total solids: One per Month

(ii) Grab Samples Maximum discharge temperature above upstream receiving water shall be in accordance with the standard of ISI at 40<sup>0</sup>C.

(iii) Uniform as per ISI at 40<sup>0</sup>C.

The temperature shall be monitored once per month on each outfall. For the purpose of the sub-section the daily average is the total discharge by

weight during calendar month divided by the number of days in month that the production or commercial facility was operating for the purpose of this sub-section, the daily maximum discharge means the total discharge by weight during any calendar day.

(b) The pH shall not be less than 5.5 or greater than 9.0 for outfalls. The samples are taken as monthly, grab samples.

3. Schedule of Compliance for effluent Limitation: - The applicant shall achieve compliance with the effluent limitation: specified above for discharge from outfalls in accordance with the following schedule:

<b>(i) Report of Progress</b>	:	Monthly
<b>(ii) Completion of final plans by</b>	:	
<b>(iii) Award of contract or other commitment of financing</b>	:	
<b>(iv) Commencement of construction by</b>	:	
<b>(v) Report of construction progress</b>	:	
<b>(vi) Completion of construction by</b>	:	
<b>(vii) Attainment of operational level by</b>	:	

(a) The applicant shall submit to the Consent issuing Authority the required report of progress or where a specific action is required in (a) above to be taken by a certain date a written notice of compliance or non-compliance with each of the above scheduled dates, post marked not later than 14 days following each elapsed date. Each notice of compliance shall include the following: -

- (1) A short description of the non-compliance.
- (2) A description of any action taken or proposed by the applicant to comply with the elapsed scheduled requirement without further delay.
- (3) An estimate of any factors which tend to explain or mitigate the non-compliance, and
- (4) An estimate of the date, the applicant will comply with the elapsed scheduled requirement and assessment of the possibility that the applicant will meet the next scheduled requirement time.

4. Compilation of monitoring Date

(a) Samples and measurements taken to meet the monitoring requirements specified above shall be representative of the volume and nature of monitored discharge.

(b) Following promulgation of guidelines establishing test procedures for the analysis of pollutants, all sampling and analytical methods used to meet monitoring requirements specified above shall conform to such guidelines. Unless otherwise specified sampling and analytical methods shall conform to the latest edition of the Indian Standard specifications

*Please see on page No. 11/14*

and here it is not specified the guidelines as per standard methods for the examination of Water & Waste Waters 13th Edition of the American Public Health Association, New York U.S.A. shall be used.

(c) The applicant shall take samples and measurement to meet the monthly requirements specified above at the location indicated below:

### **POINT OF SAMPLING**

- (i) Outfalls of waste.
- (ii) 100 meters from point to confluence, down stream to river or lake.

5. Recording of Monitoring activities and Results:

- (a) The applicant shall make and maintain records of all information resulting from monitoring activities by this Consent.
- (b) The applicant shall record for each measurement of sample take pursuant to the requirements of this Consent that following information:

- (1) The date exact place and time of sampling
- (2) The dates on which analysis were performed.
- (3) Who performed the analysis.
- (4) The analytical techniques of methods use and
- (5) The result of all required analysis.

- (c) If applicant monitors any pollutant more frequently as is required as is by this Consent he shall include the results of such monitoring in the calculation and reporting of values required in the discharge monitoring reports, which may be prescribed by the Board, such increased frequency shall be indicated on the Discharge Monitoring Report from.

- (d) The applicant shall retain for a minimum of 3 years all records of monitoring activities and result including all records of calibration and maintenance of instrumentation and original strip chart regarding continuous monitoring instrumentation. The period of retention shall be extant during the course of any unresolved litigation regarding the discharge of pollutants by the applicant or when requested by the Central or State Board.

6. Reporting of Monitoring Results:

- (a) Monitoring information required by this Consent shall be summarized and reported by submitting a Discharge Monitoring Report form duly filled in and signed, to the Board's office at the following address:  
**Chhattisgarh Environment Conservation Board, Commercial Complex, C.G. Housing Board Colony, Kabir Nagar, Raipur (C.G.).**
- (b) Each submitted Discharge Monitoring Report shall be signed as follows:

- (i) If submitted by Corporation by a Principal Executive Officer of at least the level of Vice-President or his duly authorized representative, if such representative is responsible for the overall operation of the facility from which the discharge described in the discharge Monitoring Report originates,
- (ii) If submitted by a partnership by a general partner.
- (iii) If submitted by a sole proprietor, the proprietor,
- (iv) If submitted by a Municipal, State or Central Government or other public enterprises, by a Principal Executive Officer, ranking elected official commanding officer, or other duly authorized employee.

(c) All information submitted on the Discharge Monitoring Form shall be based upon measurements and sampling carried out during the three previous calendar months. The first Discharge Monitoring Report shall be submitted for a period ending 60 days from issuance. Thereafter reporting period shall end on the last date of each month. The applicant shall submit a Discharge Monitoring Report post marked no later than 28th day of the month following each completed reporting period.

7. Limitation of Discharge of Oil Hazardous Substance in harmful quantities: The applicant shall not discharge oil in quantities defined as harmful in regulations. In addition the applicant shall not discharge hazardous substance into natural watercourse in quantities defined as harmful in regulations promulgated by the Board. Nothing in this Consent shall be deemed to preclude the institution of any legal action nor relieve the applicant from any responsibilities, liabilities, or penalties to which the applicant is or may be subject to clauses.

8. Limitation of visible Floating Solids and Foam: During the period beginning date of issuance and lasting until the date of expiration of this Consent the applicant shall not discharge floating solids or visible foam.

9. Disposal of Collected Solids:

- (a) Intake Water Treatment: Solids Sludge, dirt, silt or other pollutant separated from or resulting from treatment of intake or supply waters period to use by the applicant shall be disposed of in such a manner as to prevent any pollutant from such materials from entering any such water. Any live fish, shall fish or other animals collected or trapped as a result of intake water screening or treatment may be returned to water shall be disposed of in such a manner as to prevent any pollutants from such materials from entering natural water,
- (b) Waste water Treatment, Solids sludge, filter, backwash of other pollutant removed from or resulting from treatment or control of waste wasters

shall be disposed of in such a manner as to prevent any pollutants from such materials from entering natural water.

10. Non-compliance with Effluent Limitations:

- (A) If for any reason the applicant does not comply with or will be unable to comply with or will be unable to comply with any daily maximum effluent limitations specified in this Consent the applicant shall immediately notify the Consent issuing authority or his designee by telephone No. 2972597 and provide the Consent issuing Authority with the following information in writing within 5 days of such notification:
  - (a) Cause of non-compliance
  - (b) A description of the non-complying discharge including its impact upon the receiving water.
  - (c) Anticipated the time condition of non-compliance is expected to continue or if such condition has been corrected, the duration of non-compliance.
  - (d) Steps taken by the applicant to reduce and eliminate the non-complying discharge and;
  - (e) Steps to be taken by the applicant to prevent recurrence of conditions of not compliance.
- (B) The applicant shall take all responsible steps to minimize any adverse impact to natural waters resulting from non-compliance with any effluent limitation specified in this Consent including such accelerated or additional monitoring as necessary to determine the nature and impact of the non-complying discharge.
- (C) Nothing in this Consent shall be construed to relieve the applicant from civil or criminal penalties for non-compliance, whether or not such non-compliance is due to factors beyond his control such as equipment break down electric power failure, accident or natural disaster.

Limitation of Batch Discharge.

**SPECIAL CONDITIONS**

11. Provision for Electric Power Failure: The applicant shall either-

- (a) No later than ..... certify in writing to the consent issuing authority that applicant has installed or provided for an alternative electric power sources sufficient to operate all facilities utilized by the applicant to maintain compliance with the terms and conditions of the Consent or.

(b) No later than 30 days after the effective date of his Consent, certify in writing to the consent issuing authority that upon the reduction, loss, or failure of one or more of the primary sources of electric power to any facilities utilized by the applicant to maintain compliance with the terms and conditions of his consent, the applicant shall halt, reduce or otherwise Control production and/or all discharges in order to maintain compliance with the terms conditions of this Consent.

12. Prohibition of By-pass of Treatment Facilities: The diversion or by-pass of any discharge from facility utilized by the applicant to maintain compliance with the terms and conditions of this Consent is prohibited except:

- (a) Where unavoidable to prevent loss of life severe property damage, or
- (b) Where excessive storm drainage or run of f would damage any facilities necessary for compliance with the terms and conditions of this Consent. The applicant shall immediately notify the consent issuing authorities in writing of each such diversion or by-pass in accordance with the procedure specified above for reporting non-compliance.

13. Spill Prevention and Containment Plan: Within 90 days of the effective date of the Consent the applicant shall prepare and submit to the consent issuing authority; a Spill Prevention; Containment and Countermeasure Plan for the facility covered by this Consent. Such plan shall include the following information and procedures relating to the prevention of spills and unauthorized discharges or oil and hazardous substances;

- (a) A description of a reporting system to be used to notify immediately persons responsible for management of a facility and appropriate State and Central authorities;
- (b) A description of equipment or facilities (including overall facility) for the prevention, containment of spills and unauthorized discharge;
- (c) A list of all oil and hazardous materials used processed or stored at the facility including the normal quantity maintained on the premises for each listed material;
- (d) A brief description of any spills or unauthorized discharge which occurred during the 36 months period preceding the effective date of this Consent and subsequent measures taken by the applicant or reduce the possibility of further spills or unauthorized discharges; and.
- (e) An implementation schedule for additional equipment or facilities which might be required for sub para (b) above but which are not yet operational.

## SPECIAL CONDITIONS

### Additional Conditions: -

- 1 The date of commissioning of industry shall be informed at least one month in advance.
- 2 Industry shall comply with the provisions of Plastic Waste Management Rules, 2016, as amended and notification issued by Govt. of Chhattisgarh, Dept. of Urban Administration and Development dated 24.12.2014, notification issued by Govt. of Chhattisgarh, Dept. of Housing & Environment dated 27.09.2017 and dated 27.09.2019.
- 3 The Industry Shall not manufacture plates, cups, glasses, cutlery such as forks, spoons, knives, etc or any other single use plastic commodities, which are prohibited as per mentioned in the Plastic Waste Management (Amendment) Rules, 2021 published vide Ministry of Environment Forest and Climate Change notification dated 12.08.2021.
- 4 Biodegradable & compostable plastic bags manufactured by the industry shall conform to the standard notified by the bureau of Indian Standards and shall be certified by the Central Pollution Control Board.
- 5 The Industry in no case shall start the commercial production or selling of biodegradable & compostable plastic item without obtaining certification from Central Pollution Control Board for manufacturing, marketing and selling of Biodegradable & compostable plastic items as per Plastic Waste Management Rules (as ammended).
- 6 The industry shall obtain registration under the EPR Guidelines as per Plastic Waste Management (Amendment) Rules, 2022 and the same shall be submitted to this office.
- 7 The industry shall ensure fulfillment of Extended Producer Responsibility targets as per the EPR Guidelines as laid down in Plastic Waste Management (Amendment) Rules, 2022.
- 8 Industry shall establish a system for collecting back the plastic waste generated due to their products based on Extended Producer Responsibility and involving State Urban Development Department, either individually or collectively, through their own distribution channel or through the local body. The plan of collection shall be submitted to this office.
- 9 Industry shall not manufacture plastic carry bags, short-lived PVC and chlorinated plastics in advertising and publicity materials(banner,flexes hordings, Foam boards, etc) and plastic items used for catering (cups, glasses, plates and spoons) as per the notification of housing and Environment ministry Government of Chhattisgarh Mahanadi Bhavan,Naya Raipur,dated 27.09.2019.

- 10 Industry shall comply with all the acts/rules/notification/by-laws regarding plastic and plastic waste enacted in the future.
- 11 The industry shall have to provide adequate facility for proper treatment of industrial and domestic effluent. The industry shall ensure that the treated effluent conforms to standard prescribed by the Board.
- 12 Regular monitoring report of the treated effluent shall be submitted to the Board i.e. once in every twelve months.
- 13 The industry shall take effective steps for full utilization of treated effluent for land use within the premises. The concept of “Zero discharge” shall be practiced to the maximum possible extent.
- 14 No boiler, furnace shall be installed for manufacturing process. Industry shall not use coal, coke, furnace oil as a fuel or as raw material. Only electrically operated machines shall be installed.
- 15 The industry shall obtain Authorization under Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016 (if required).
- 16 The industry shall take effective step for extensive tree plantation in and around their premises for general improvement of environmental conditions.
- 17 The industry shall make proper and safe arrangement for safe disposal of solid waste and sludge. Industry shall adopt good housekeeping practices inside the factory premises.
- 18 All the construction activities for establishment of industry shall be carried out exclusively using fly ash bricks/blocks and other products based on fly ash as far as possible.
- 19 Industry shall provide boundary wall of appropriate height all along the periphery of the factory premises. All the internal roads should be made pucca.
- 20 The Industry shall adopt Rain Water Harvesting system for the conservation of ground water. In this regard industry shall submit study report after duration of at least 12 months regarding enhancement of ground water table.
- 21 The issuance of this permission of Board does not convey any property rights in either real or personal property, or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any infringement of Central, State or Local laws or regulations.
- 22 Industry shall obtain statutory clearances/permissions from concerned central/state government departments, boards, bodies and corporations etc.
- 23 The industry shall be commissioned within the period of five years from the date of issue of this consent letter. In case the industry is not commissioned within the stipulated period the consent shall be treated as cancelled.
- 24 Any change in production capacity/process/raw material used etc. shall be intimated to the board for any enhancement of the above prior permission of the Board shall be obtained.
- 25 The Board reserves the right to amend/Cancel any of the above conditions or add new conditions as and when deemed necessary.

This consent and the authorization to discharge shall expire on midnight on **the day after 12 months from the first day of the month of commissioning of the plant**. The applicant shall not discharge after the date of expiration. The applicant shall submit such information, forms and fees as required by the Board not later than 60 days prior to the above date of expiration.

By authority of Chhattisgarh Environment Conservation Board

Regional Officer  
Regional Office, C.G. Environment Conservation Board  
Raipur (C.G.)

## **PART-B**

### **CONSENT LETTER**

Sub: Grant of Consent to **M/s Vishvamitra Packaging, Kh.No. – 109/1, Gogaon, Raipur (C.G.)** under section 21 of the Air (Prevention and Control of Pollution) Act, 1981.

Ref: Your on-line application no. 11863290, dated 24.01.2023 and subsequent correspondence ending dated 10.02.2023.

- 3 With reference to the above application, consent under the Air (Prevention & Control of Pollution) Act, 1981 to **M/s Vishvamitra Packaging, Kh.No. – 109/1, Gogaon, Raipur (C.G.)** is hereby granted by the State Board in accordance with the terms and conditions as mentioned below.
- 4 This consent shall be valid for **12 months from the first day of the month of commissioning of the plant.**

This consent is valid for following products & production capacity : -

	<b>Name of Product</b>		<b>Production Capacity</b>
1	Carry Bags, Packaging Bags & Garbage Bags of Biodegradable/ Compostable Plastic	⌚	1900 M.T./Year (One Thousand Nine Hundred Metric Ton Per Year)

#### **Terms & Conditions:** -

- 1 The date of commissioning of industry shall be informed at least one month in advance.
- 2 Industry shall comply with the provisions of Plastic Waste Management Rules, 2016, as amended, and notification issued by Govt. of Chhattisgarh, Dept. of Urban Administration and Development dated 24.12.2014, notification issued by Govt. of Chhattisgarh, Dept. of Housing & Environment dated 27.09.2017 and dated 27.09.2019.
- 3 The Industry Shall not manufacture plates, cups, glasses, cutlery such as forks, spoons, knives, etc or any other single use plastic commodities, which are prohibited as per mentioned in the Plastic Waste Management (Ammendment) Rules, 2021 published vide Ministry of Environment Forest and Climate Change notification dated 12.08.2021.
- 4 Biodegradable & compostable plastic items manufactured by the industry shall conform to the standard notified by the bureau of Indian Standards and shall be certified by the Central Pollution Control Board.
- 5 The Industry in no case shall start the commercial production or selling of biodegradable & compostable plastic item without obtaining certification from Central Pollution Control Board for manufacturing, marketing and selling of Biodegradable & compostable plastic items as per Plastic Waste Management Rules (as ammended).

- 6 The industry shall obtain registration under the EPR Guidelines as per Plastic Waste Management (Ammendment) Rules, 2022 and the same shall be submitted to this office.
- 7 The industry shall ensure fulfillment of Extended Producer Responsibility targets as per the EPR Guidelines as laid down in Plastic Waste Management (Ammendment) Rules, 2022.
- 8 Industry shall establish a system for collecting back the plastic waste generated due to their products based on Extended Producer Responsibility and involving State Urban Development Department, either individually or collectively, through their own distribution channel or through the local body. The plan of collection shall be submitted to this office.
- 9 Industry shall not manufacture plastic carry bags, short-lived PVC and chlorinated plastics in advertising and publicity materials(banner,flexes hordings, Foam boards, etc) and plastic items used for catering (cups, glasses, plates and spoons) as per the notification of housing and Environment ministry Government of Chhattisgarh Mahanadi Bhavan,Naya Raipur,dated 27.09.2019.
- 10 Industry shall comply with all the acts/rules/notification/by-laws regarding plastic and plastic waste enacted in the future.
- 11 Industry shall install appropriate air pollution control equipment at all points of emission and shall ensure that these are always kept running and in good working order all the time. In case of any failure it shall be immediately rectified or some alternate arrangement be made.
- 12 No boiler, furnace shall be installed for manufacturing process. Industry shall not use coal, coke, furnace oil as a fuel or as raw material. Only electrically operated machines shall be installed.
- 13 Ambient air quality at boundary of industry premises shall conform to the standards prescribed by the Board.
- 14 Industry shall submit ambient air quality monitoring report to the Board regularly i.e. once in every twelve months.
- 15 The industry shall do extensive tree plantation in and around the factory premises for improvement of environment in general.
- 16 Industry shall adopt good housekeeping practices inside the factory premises.
- 17 All the construction activities for establishment of industry shall be carried out exclusively using fly ash bricks/blocks and other products based on fly ash as far as possible.
- 18 Industry shall provide boundary wall of appropriate height all along the periphery of the factory premises. All the internal roads should be made pucca.
- 19 The industry shall take proper action to control the noise pollution. The noise level should not exceed the limit 75 dB(A) during the day time and 70 dB(A) during the night time within the factory premises.

20 Industry shall obtain statutory clearances/permissions from concerned central/state government departments, boards, bodies and corporations etc.

21 The issuance of this permission of Board does not convey any property rights in either real or personal property, or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any infringement of Central, State or Local laws or regulations.

22 Any change in production capacity/process/raw material used etc. shall be intimated to the board for any enhancement of the above prior permission of the Board shall be obtained.

23 The industry shall be commissioned within the period of five years from the date of issue of this consent letter. In case the industry is not commissioned within the stipulated period the consent shall be treated as cancelled.

24 The Board reserves the right to amend/Cancel any of the above conditions or add new conditions as and when deemed necessary.

25 This consent is valid for the stated period and has to be renewed every year. Application with annual license fee in this regard shall reach the office 2 months before the expiry of this consent.

Please acknowledge the receipt of this letter.
