When it's to the selection of high-quality industrial scrap and coconut products, **BHAGAVAN PVT LTD** is the best name. We are a well-acknowledged name in the plastic scrap and coconut product industry for our top-notch trading unit.

## About Us

When it's to the selection of high-quality industrial scrap and coconut products, Bhagavan Pvt Ltd is the best name. We are a well-acknowledged name in the plastic scrap and coconut product industry for our top-notch trading unit. We have into this business of extraordinary plastic PET scrap and coconut products since our foundation in the year 2021. We are based in Perambalur, Tamil Nadu.

Though Bhagavan Pvt Ltd is new in this trend, we offer top-notch PET bottle scrap, flakes, fresh coconut and husked coconut. All our PET scrap and flake items are extremely necessary for different use. Making food and non-food containers, automotive accessories like seats, covers, car cushions, carpets and numerous films and sheets are some among them. The plastic scrap items we deliver are famous for their class-apart quality and extraordinary usability.

Today Bhagavan Pvt Ltd has become one of the largest traders of multiple industrial and commercial grade plastic scrap items. Because our products are made with the latest technology ideas and remarkable infrastructure. The name of our company is enough for our clients to buy our products because of our enormous brand value. Our coconuts are grown with the best resources and we source them from the best growers.

All of our plastic scrap items include par excellence quality because all of them are created after following all the industry rules and guidelines. Being a well-established PET scrap item manufacturing and supplying company, every single product we deliver is created with the best quality PET bottles. All of our products are gone through strict quality inspections in our best-equipped unit.

All our plastic scrap items are put for a conclusive test to ensure maximum usefulness and performance. Our well-furnished repository that includes all the necessary facilities makes us more worthy and capable of delivering our plastic scrap products efficiently. Since we concentrate most on client satisfaction, we always maintain a balanced association between the demand and supplying procedure.

Contact us for purchasing the best plastic scrap and coconut products at the best price.
