Dharohar Arts  
Established in  
2018 in Udaipur,  
Rajasthan (India),  
as an individual  
(sole  
proprietorship),

Dharohar Arts is the leading trader of regular products. Our range of products includes Karvi Organic Beauty Products, Fancy Gifts Items, Ladies Jewelry, Ladies Cotton Bandhani Saree, Ladies Fancy Earring, Ladies Rajputi Poshak, Domestic RO Water Purifiers and Baby Girl Lehenga Choli. All products are made using high-quality raw materials to design attractive, skin-friendly, and attractive clothing that is priced for excellence.

The special range of clothing keeps the demands and choices for the invaluable clients. We also personalised our range according to the demands of our esteemed clientele. The products are given by experts who make use of the best quality delivery services.

## **Our Quality**

We focus on serving customers

with the quality products available in the market. Thus, we are following a well-planned and technologically focused quality management system. It allows you to give the products according to the needs. Moreover, we have used a highly talented team of quality managers who regularly look into the quality of the products for convenience products in the market.

## **Our manufacturing unit**

Additionally, our widespread distribution network has permitted us to efficiently meet the diverse and extensive demands of clients.

Dharohar Arts are proficiently managing the business operations under the guidance and care of our owner, Ms. Vinita Bhandari. She brings industry experience to bring something unique and special.
