About Us

Aone Enterprises

Aone Enterprises, a pioneering name in the realm of natural products derived from cow dung. Established in 2024 by Mr. Jay Prakash Choudhary, our journey began with a commitment to harnessing the potential of cow dung to create sustainable and eco-friendly solutions. Located in Buxar, Bihar, Aone Enterprises is dedicated to manufacturing, supplying, and exporting a range of high-quality products that cater to diverse needs. Our flagship offerings include Cow Dung Organic Fertilizer Manure, Desi Cow Dung Powder, and Cow Dung Cake. These products are meticulously processed to uphold the highest standards of quality and environmental responsibility.

Our Quality

At Aone Enterprises, we believe in the transformative power of innovation rooted in tradition. Cow dung, long revered in Indian culture for its beneficial properties, serves as the cornerstone of our product line. Each item undergoes rigorous testing and adheres to stringent quality controls to ensure efficacy and safety.

Our Vision

Beyond products, we are driven by a vision to promote sustainable practices in agriculture and home care. By utilizing cow dung, a natural byproduct, we contribute to reducing waste while offering solutions that are gentle on the environment.

Our Commitment

Our commitment extends to fostering partnerships based on trust and reliability. Whether you are seeking natural fertilizers for your crops, eco-friendly paint options, or traditional remedies like Desi Cow Dung Powder, Aone Enterprises is your trusted partner.
