ABOUT US

We, MuHiTechee Enterprises, are a 2022 established company based in New Delhi (India). We are a noteworthy manufacturer, supplier, and exporter of electronic components including CRT TV kits, E vehicle chargers, compact chargers, compact CDI, etc. Driven by technology, we are highly focused on producing electronic products of high quality. The offered products are known for their compact designs, seamless finish, durability, and great performance.

With the unmatched quality of our products and offering satisfactory service, we strive to earn recognition not only within the country but also beyond its boundaries. We have a sound infrastructure at one of the finest locations in New Delhi, which is equipped with all the necessary facilities. Our manufacturing facility is installed with the latest machinery and technology that make us capable to produce superior quality products in large volumes.

We have a team of highly skilled and dynamic individuals who are working relentlessly to deliver the best to our clients worldwide. Our professionals are proficient in manufacturing electronic products with utmost precision. Product quality is carefully rechecked by our quality control team in order to avoid any kind of defect. After the approval of our quality control cell, the manufactured products are packaged and delivered to our customers.

Under the expert guidance of the Company's Founder, Mr. Vikas, MuHiTechee Enterprises has forged its way ahead by catering to the increasing demands of our customers and attaining their maximum contentment.
