About Us

Set up in the year 2013, M S Enterprise has established itself as a prominent organization in this competitive industry. We are a Rajkot (Gujarat) based company engaged in manufacturing and supplying a superlative range of magnetic door locks, magnet catcher doors, CP extension nipples, RO booster pump heads, shelf buttons, high-pressure shower heads, etc. The company is managed by Mr. Satish Malaviya and due to his positive motivation and valuable support & guidance; we have achieved commendable success in this business.

Quality Assurance :

With a quality-focused approach, we are producing superior quality products as per the market demands. We manufacture our entire product line using premium-grade materials and cutting-edge technology while following international quality standards. Furthermore, all of our offered products go through a strict quality check process in order to ensure no substandard products reach our customers.

Our Infrastructure & Team :

We own a fully advanced infrastructure, which enabled us to produce the best quality products successfully. All of our activities are carried out in this facility by our diligent team. With the assistance of our supremely talented team members, we cater to the demands of our customers in an appropriate manner.

Customer Satisfaction :

Due to our customer-focused approach, we are capable to garner numerous customers across the country. At M S Enterprise, we strive for attaining absolute customer satisfaction with our unmatched quality products, prompt delivery service, ethical trade practices, reasonable price, and professionalism.
