Our company is an APEDA (Agricultural and Processed Food Products Export Development Authority) registered company that is successfully managed by Mr. Ragavendra whose smart marketing strategies enabled it to move ahead on the path to success.**

# About Us

Vision Clutch Exports, incepted in the year 2022, is a reliable organization that is in the business of trading and exporting fresh vegetables. We deal in fresh capsicum, fresh drumsticks, fresh green chillis, fresh red onions, fresh tomatoes, etc. With our ethical trade practices, in-depth knowledge of the agro-product consumer market, and an unprecedented level of sincerity we are growing in this business. We aim to become the preferred choice of numerous consumers across the globe.

Our company is an APEDA (Agricultural and Processed Food Products Export Development Authority) registered company that is successfully managed by Mr. Ragavendra whose smart marketing strategies enabled it to move ahead on the path to success. We are supported by a team of dynamic people who have the required skills to handle all the processes in the business in the most simplified way.

We are a Kolar (Karnataka) based organization and work closely with many local vegetable producers to get the best product to meet the diverse requirements of our clients worldwide. We work to bridge the gap between rural farmers and buyers. Our vegetables are available in various packaging options and at reasonable prices. We make sure that no cheap products only quality products reach our clients that too within the allotted time period.

We, at Vision Clutch Exports, strongly believe in profitable, long-term, and sustainable relationships with all of our clients, vendors, and employees. We strive to make our organization a credible entity that is appreciable among the big names in the industry.
