www.stellarpolypack.in

Stellar Polypack Private Limited was incorporated in 2021 as a sister concern unit of M/S Balaji Plastic Industries. The parent company Balaji Plastic industries has been in the packaging industry since 1997 and is one of the top manufacturers and suppliers of woven bags and fabric in Gujarat, India.

We at Stellar Polypack Private Limited are aimed at providing high quality technical textile products such as PP/HDPE Woven Fabrics, PP/HDPE Woven Bags, BOPP printed bags, color-ink printed bags, laminated/unlaminated bags, & liner bags.

We are an ISO & BIS certified manufacturing company of technical textile products, fulfilling the packaging needs of various industries such as agriculture, pharmaceutical, chemical and construction.

Stellar has always focused on product excellence and the company's cutting-edge manufacturing setup is a testament to its commitment. High precision machines, global standard quality checks, and innovations in manufacturing allows Stellar to provide products that are reliable, durable and at par with all the standards of the world's quality regulations.

Our Vision

Our vision is to see our brands grow with improved packaging as it plays a vital role in branding. We wish to extend our reach to companies in the farthest of locations for improved, personalized and economic solutions.

Our Mission

We rely solely on better communication, 24x7 support and taking responsibility for our clients' packaging needs to achieve what we aim for. We want to achieve a healthy relationship with our clients where we can work out the best packaging product as per their needs.

Our Manufacturing Facility

Our facility is located in Mehsana, 20 kms from Ahmedabad, Gujarat and near all the running sea ports for easy export access.

Our state of art manufacturing facility is spread over an area of 12,000 sq metre and is equipped with state-of-the-art machinery to produce polypropylene/polyethylene fabric/bags on circular looms. It is an all product in-house manufacturing facility with top facilities to ensure faster turn-around time to your factories.

Being new we are not bound by age old / standard products & bank on being able to offer customers improved & custom made fabrics, even contract manufacturers for the world's best companies.

Quality Assurance

The superior quality of Stellar's polyethylene & polypropylene packaging materials is recognized across industries. We source our raw materials from the most reliable vendors and subject them to strict quality standards before processing them further for production. Quality testing is performed at all stages of production by Stellar's in-house quality control department, which ensures compliance with global standards. Additionally, it has state-of-the-art testing equipment such as Tensile Testing Machines, Muffle Furnace, Electronic Weighing Scales, Denier Testing Machines, Techno Meters, Digital Verniers Calipers, and Digital Thickness Gauge Meters. In order for Stellar to be a leader in catering to market demands with superior quality products, its quality control staff ensures implementation at various levels of production.

Business Type : Manufacturer, Exporter, Supplier, Trader

Material : Pp

Color : Available In Different Color

Thickness : 2.5-3mm

Location : Worldwide

Pattern : Plain, Printed

Width : 1600mm

Packaging Type : Roll

PP Woven Sacks

Business Type : Manufacturer, Exporter, Supplier, Trader

Plastic Type : Woven Fabric

Color : Available In Different Color

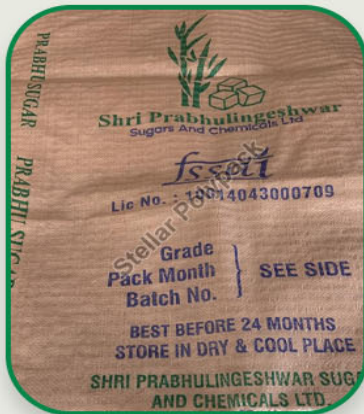

Feature : Recyclable

Location : Worldwide

Pattern : Plain, Printed

Sack Capacity : 25kg, 50kg

Sugar Packaging Bags

Business Type : Manufacturer, Exporter, Supplier, Trader

Material : Plastic

Color : Available In Different Color

Application : Packaging

Location : Worldwide

Pattern : Plain, Printed

Feature : Light Weight, Durable

Block Bottom Bags

Business Type : Manufacturer, Exporter, Supplier, Trader

Thickness : 10-20microns

Color : Available In Different Color

Application : Industrial

Location : Worldwide

Pattern : Plain, Printed

Capacity : 25kg, 50kg

Material : PP

BOPP Bags

Business Type : Manufacturer, Exporter, Supplier, Trader

Material : BOPP

Color : Multicolor

Application : For Packaging Food

Location : Worldwide

Thickness : 2.5-3mm

Feature : Biodegradable, Recyclable

Capacity Size : 10kg, 20kg, 25kg

Polypropylene Bags

Business Type : Manufacturer, Exporter, Supplier, Trader

Industrial Use : Packaging

Color : Available In Different Color

Application : Industrial

Location : Worldwide

Pattern : Plain, Printed

Bag Capacity : 50-60kg

Material : Polypropylene

Valved PP Woven Sacks

Business Type : Manufacturer, Exporter, Supplier, Trader

Material : Pp

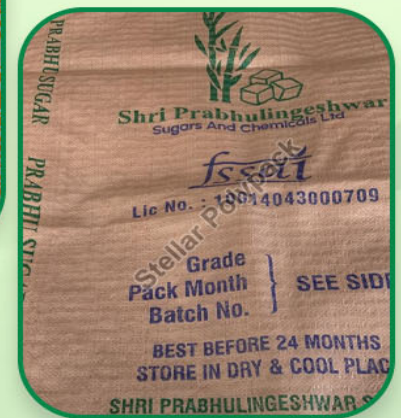

Color : Available in Different Color
