Located in Tirupur (Tamil Nadu, India) and operating under the profound guidance of our CEO Mr. M.Prabakaran, Sky Blue Printing is a renowned supplier of Used Biodiesel Oil, Used Cooking Oil and Used Vegetable Oil that have multipurpose applications in various industries. As a trusted supplier we have a huge clientele specifically in Tamil Nadu and all over India.

Since our inception in 2020 we have partnered with some of the most reliable vendors and sources to get a variety of products. Our team has deeply invested in procuring quality products that can have viable usage across the country in reasonable price. We take proud in assuring that all the products supplied by us are 100% genuine and authentic. We are also engaged in fair business practices and operations with utmost sincerity as we are a customer centric organization.

We have acquired dedicated personnel in our team who are diligently engaged in procurement, quality control, grading, packaging, storing customer services etc. We work in unison to comprehend our operations and try our best to remove any inconsistency from our side

## Our Infrastructure

Our state of the art facility is spacious and well established with all the necessary resources and machineries that allows us to work in the most proficient manner.

- **Packaging Unit:** All the products are packaged in our in house packaging unit with strong, durable and spill proof material in complete adherence to the industrial standard. We also provide bulk and customizable packaging services to fulfil each and every requirement of our customers.
- **Warehousing Unit:** We have a widespread facility where all the products are kept safe in bulk quantity to successfully complete all our small, urgent and bulk orders promptly.
