# About Us

TECHNOLOGY

একটি SANJEBANI প্রতিষ্ঠান

Sanjeevni Agro Service, your trusted partner in sustainable agriculture. Established in the thriving town of Hooghly, West Bengal, in 2009, we take pride in being a leading Manufacturer and Supplier of a diverse range of high-quality soil fertilizers. Our founder, Mr. Tarunkanti Ghosh, envisioned a company that would contribute to the agricultural landscape by providing innovative and eco-friendly solutions to farmers.

At Sanjeevni Agro Service, we specialize in the production of Compost Soil Fertilizer, Microbial Soil Fertilizer, Micronutrient Soil Fertilizer, and Organic Soil Fertilizer. These products are meticulously crafted to enhance soil health, promote plant growth, and ensure sustainable farming practices. We understand the critical role that soil plays in the success of agriculture, and our fertilizers are designed to nourish the soil, leading to healthier and more productive crops.

What sets us apart is our commitment to quality and sustainability. Our manufacturing processes adhere to the highest standards, ensuring that our fertilizers are not only effective but also environmentally friendly. We believe in harnessing the power of nature to create products that benefit both the farmer and the planet. Whether you are a small-scale farmer or part of a large agricultural enterprise, Sanjeevni Agro Service is dedicated to providing you with solutions that meet your specific needs.

As a company rooted in West Bengal, we have a deep understanding of the local agricultural challenges and opportunities. Our team of experts continually strives to develop and refine our products to address the evolving needs of farmers in the region. We take pride in our role as a catalyst for positive change in the agricultural sector, empowering farmers to achieve sustainable and profitable outcomes.
