About Us

Bradley Wellness Health Lab Pvt Ltd is a distinguished and reliable manufacturer, Exporters, Supplier and Trader of medical equipment to trustworthy customers. We have hired a team of talented and skilled professionals who are manufacturing supreme quality products at cost-effective rates. Our products are durable and accurate in diagnostic processes.

Established in Delhi, we manufacture excellent quality medical equipment that is required for laboratory tests. We are purchasing the finest quality raw materials for manufacturing these laboratory equipment at economical rates in the market.

Product Assurance

Founded in 2017, we are dealing in medical tubes, micropipettes, cell culture bottles, and blue nitrile gloves. Our products are widely used in the chemical and healthcare industry. Our products reduce contaminations and reduce the risk of infection. Our products are corrosion-resistant, low maintenance, and robust.

Due to the supreme quality of products, our products are highly demanded in the healthcare industry for excellent results in various tests. Our products can be easily rotatable to any direction and manufactured from quality grade PVC.

Why Us?

Owing to our customers, we have gained immense customers in the market. We are offering these products to the customers as per their requirements. We are delivering these products within the agreed time limit. Our products are available in different sizes and shapes as the orders of the customers.
