We run and manage our operations from Delhi under the proficient knowledge, ethically carved strategies and commendable leadership of our CEO Mr. Gaurav Sikka, who have constantly enriched us with the needed guidance for the past two decades. With his due presence we have established a state of the art infrastructure which effectively incorporates a well-researched manufacturing facility that is innovatively designed over the years and operated by a group of trained workforce. They have a long experience of accomplishing the set international standards while managing every demand such as different size, pattern, shapes and designs specified by our customers.

At BILLIARDO, we value each community and member that associates with us by giving due recognition and maintaining a healthy working culture in our premises. This has resulted in an adroit and dexterous team members who have moved heaven and earth to procure, produce, package, store and supply our products in line with our reputation. For a long time they are religiously following all the quality testing, pricing and dealing policies that immensely supported us in creating a huge clientele in many countries like Asia, Australia, Europe, America, Russia and Africa.

Since our inception, we are serving "QUALITY" as a brand value that we truthfully abide by in each aspect of our workings. We are also committed to the following responsibilities:

- ✓ Optimum balance of craftsmanship and technology
- ✓ Prompt Delivery along with flexible dealing policies
- ✓ Quality Tested Products
- ✓ Ethically structured price range
- ✓ Customizable orders
