ABOUT US

ORIENTAL
ENGINEERING COMPLEX (INDIA)

We, ORIENTAL ENGINEERING COMPLEX (INDIA), have Pioneered, Established and Specialized ourselves in the field of Hydraulic System Designing and Manufacturing of Hydraulic Operated Industrial Machineries & Equipments. Our product Quality & Reliability have always won the trust & confidence of our valued customers due to its Robust Designed and unmatched performance. Our sole motto has always been to deliver true value for money to our customer and this has served as a driving force in our rapid growth and universal acceptance of our complete range of products by our National and International buyers.

As a manufacturer and supplier company has gained immense popularity not only in India but beyond its boundaries and this has been possible because of our innovative ideas and perfection on all the grounds. Our law-abiding company is adhering to all the predefined rules and regulations with strictness as these help us in designing and developing a flawless range. We also make customers understand the features of our products so that they can use them in a hassle-free manner. Furthermore, we discuss our policies with buyers so that any confusion may not arise in their minds later, thereby, affecting our bond with them.

Why Us?

- ✔ Hydraulic Press Machine Type
- ✔ Drawing Press
- ✔ Punching Press
- ✔ Shearing Press
- ✔ Bending Press
- ✔ Forging Press
- ✔ Straightening Press
- ✔ Fly Ash & Paver Block making Press, etc.
- ✔ Hydraulic Power Pack
- ✔ Hydraulic (Cylinder, Intensifiers, Manifold Control Blocks, Rotary Joints etc.)
- ✔ Hydraulic Scissor lift Platforms, Heavy Cargo Lifting Equipments, Heavy Tilting Truck Unloader Utility Equipments, Street Light Poles etc.
- ✔ Hydraulic Actuated Material Handling & Mining Equipments, Hydro Power Dam Gates and Industrial Gates (Slide Gates, Sector Gates, Flap Gates, Rod Gates,) etc.
- ✔ Design, Manufacturing & Supplying of Hydraulic Powered Machineries & Equipments, Undertaking Industrial Development & Modification Projects and providing Engineering Solutions.

We Are the Best Because..

- ✔ We give our best to serve buyers in an expected manner and at cost-effective rates.
- ✔ We are a company of words that never steps back from fulfilling the made promises.
- ✔ We make sure that our actions do not affect the environment in a negative manner.
- ✔ We work in an accountable manner and make sure to deliver products in a safe manner along with quality assurance.

Technical Experience and Capability

We had an advantage over the competition because of our technical capacity to grasp and specialized in the discipline of fluid dynamics. Our cost-effective indigenized import substitutes innovative engineering solutions to our valued customers have replaced the field that was once controlled by multi-national firms. Demand for our products expanded by leaps and bounds, which came as no surprise. Our expertise in the elite field of fluid dynamics helped us gain the trust of significant and well-known world-class businesses such as Steel Authority of India, Tata Steel, Core Mining Industries, Shipping Corporations of India, Port Trust of India and Aviation Authority of India, etc.

Business Vision

We believe that our business has progressed because of our conviction and moto of honesty, hard effort, and dedication in both thought and practice. We believe that the quality excellence of our product and value for money will be a driving force to expand our business on a national and international level, given the type of product profile that constitutes capital goods for any industries & commercial business houses, as well as for small and individual business entities.

Business Mission

We are now well prepared and able to go global with our vast range of products to meet the requirements of various categories of customers from small start-up beginners to large corporate organizations in various sectors such as steel, coal, lignite, mining & mineral industries, transportation, freight and ware house industries, leather, cloth, food rubber process. We believe in giving our valued customers with innovative, high-quality, state-of-the-art items that are great value for money. Rather than being a price racer in the competitive market, our moto is to be a top runner in quality and reliability.

PRODUCTS

ORIENTAL
ENGINEERING COMPLEX (INDIA)

Four Column Hydraulic Press Machine

Hand Operated Hydraulic Press Machine

Heavy Duty C Type Hydraulic Press Machine

Heavy Duty Hydraulic Drawing Press Machine

Heavy Duty Hydraulic Forging Press Machine

Heavy Duty Hydraulic H Frame Press Machine

Heavy Duty Hydraulic Press Brake Machine

Heavy Duty Hydraulic Punching Press Machine

Horizontal Hydraulic Press Machine

Hydraulic Hot Press Machine

PRODUCTS

ORIENTAL
ENGINEERING COMPLEX (INDIA)

Hydraulic Plywood Cold Press Machine

Hydraulic Shearing Press Machine

Hydraulic Stamping Press Machine

Hydraulic Trimming Press Machine

Light Duty Hydraulic H Frame Press Machine

Multi Purpose C Type Hydraulic Press Machine

Robust Hydraulic Press Machine

Bakelite Rubber Moulding Hydraulic Press

Heavy Duty Hydraulic Material Handling Grab Bucket

Heavy Duty Hydraulic Side Flap Grab Bucket

PRODUCTS

ORIENTAL
ENGINEERING COMPLEX (INDIA)

Hydraulic Finger Grab Bucket

Hydraulic Opening Grab Bucket

Hydraulic Peel Grab Bucket

Heavy Duty Hydraulic Cylinder

Industrial Hydraulic Cylinders

Linear Actuator Hydraulic Cylinders

Mobile Equipment Hydraulic Cylinders

Hydraulic Power Pack

Hydraulic Heavy Duty Scissor Lift

Hydraulic Maintenance Scissor Platform

PRODUCTS

ORIENTAL
ENGINEERING COMPLEX (INDIA)

Hydraulic Cylinder Testing Power Pack.

Automatic Metal Scrap Baling Machine

Double Action Metal Scrap Baling Machine

Pet Bottle Scrap Baling Machine

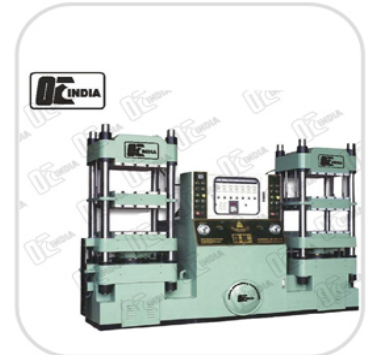

Triple Action Metal Scrap Bailing Machine

Automatic Plastic Injection Moulding Machine

Horizontal Plastic Injection Moulding Machine

Melamine Hot Moulding Machine

Rubber Moulding Machine

Bakelite Moulding Die

PRODUCTS

ORIENTAL
ENGINEERING COMPLEX (INDIA)

Melamine Moulding Die

Plastic Injection Moulding Die

Rubber Moulding Die

Fly Ash Brick Making Machine

Heavy Duty Ladle Hook

Roll Pairing Power Pack

Skirt Manifold Control Block

Synchronizer Control Block

Slide Gate
