About Us

Established in the year 2018, Tiger Enterprise Retail is a leading supplier of Mobile Phone Covers that are delivered all over India. We operate from Ahmedabad (Gujarat, India) and serve a wide range of premium quality cover of various top brands like iPhone, Samsung, Vivo, Lenovo iQOO, Micromax, Motorola, Nokia, OnePlus, OPPO, Realme and many more.

All our products are sourced from reliable distributors and vendors and manufactured with standard quality raw material under the strict supervision of quality controllers. Our team further examines if the product provides full protection, is flexible and strong at the same time, convenient to handle and durable without compromising its overall appearance. We further ensure that our product comes in various beautiful designs, colors and options to serve the need of every individual.

Our team consists of both motivated and experienced personnel that allows us to reach overall excellence in this domain. It has immensely helped us to serve all our clients with utmost brilliance and we will continue to do so under the able guidance and mentorship of our CEO Mr. Vipul Amin, whose work ethics and immense knowledge has helped the company to reach its potential above our competitors.

In addition, we are in a comparatively advantageous position due to the following reasons:

- Inventory available in bulk
- Fast and safe delivery
- A well-resourced network of distributors and retailers
- Appealing and Strong packaging
- Quality assurance with trendy designs
