

VK Exim

In a short span of time we have become a trusted Exporter and Trader of a plethora of Indian Pulses such as Black Eyed Beans, Yellow Moong Dal, Split Urad Dal, Green Moong Dal, Red Kidney Beans, Black Kidney Beans, Dried Masoor Dal, Dried Toor Dal, Horse Gram Dal and Raw Peanut Kernel. We deliver the goodness of our pulses and kernel all over the globe.

V K Exim is a newly founded company under the sole proprietorship of Mr. B.Venkataiah in Mahbubnagar (Telangana, India). In a short span of time we have become a trusted Exporter and Trader of a plethora of Indian Pulses such as Black Eyed Beans, Yellow Moong Dal, Split Urad Dal, Green Moong Dal, Red Kidney Beans, Black Kidney Beans, Dried Masoor Dal, Dried Toor Dal, Horse Gram Dal and Raw Peanut Kernel. We deliver the goodness of our pulses and kernel all over the globe.

Our collection of Indian pulses comes from our network of reputable vendor base and manufacturers with holistic expertise in this domain. To meet the international standards of food industry we further conduct several inspections to give our customers organic pulses without any application of additives and harmful chemicals. Our wide range of wholesome pulses optimum in taste, have longer shelf life, safe to consume and are filled with all the natural nutrients one expects from such products.

Our state of the art facility allows us to keep orders in bulk and thus provide prompt delivery without any inconvenience to our clients overseas. We keep all the items in our warehouse unit with utmost care, safety and tempered space away from any contamination. We package it with premium quality food grade and strong packaging to keep the product intact along with all its goodness.

We have been able to provide our esteemed clients with our range of products because of our dexterous workforce and trusted vendors. We collaborate with an expert team of managers, agents, and qualified quality controllers. This has allowed us to give complete customer satisfaction to our clients worldwide. Along with this we have certain traits that makes us the first choice our clients:

- Quality Approved Products
- Trusted and vast network
- Prompt Delivery
- Customizable Range
- Reasonable Price
- Flexible Payment Modes
