### OUR PRODUCT

We have an experience of more than forty years in this domain and our products are known for being both trendy and comfortable. Thus, we deal with trusted sources to procure raw materials and all our fabrics are lab tested by our team before manufacturing. We use cutting edge latest technology to manufacture our garments in our in-house production facility with utmost care to avoid any chances of defect in terms of size, fitting, colour, pattern, durability and overall appearance. Our finished products are inspected on various parameters to get perfectly fitted, beautifully designed and comfortable garments.

### OUR TEAM

We have a self-motivated team of professionals who constantly analyse the ever changing trends and demands of our consumers and keep on updating our range in regular intervals. Our quality controllers are highly knowledgeable in their respective domain. Our packaging unit ensures that our products are not only strong but also appealing.

### OUR INFRASTRUCTURAL FACILITY

Our facility is widespread and well-kept in terms of equipment and staff which allows us to provide timely delivery for both small, bulk, and urgent orders in time. It is well sectioned into various departments to reach maximum productivity and customer satisfaction.

Under the visionary guidance of our CEO and Owner Mr. Amir Ali Mondal we have reached an epitome of success and strong trust of our customers worldwide that we want to enrich even more in the years ahead.
