

BAGAZO ENTERPRISE

Key To Better Tomorrow

Introduced in the global market by Mr. Utsav Patel & Mr. Vatsal Rajyaguru Bagazo Enterprise is now an established name associated with top notch products, credibility and trusted services amongst every member or community that is associated with us. The determined passion, visionary approach and ethical strategies of our founders have well represented our company since 2020.

www.bagazoenterprise.co.in

Situated in Ahmedabad (Gujarat, India), we are serving a wide variety of eco-friendly Paper Bags, Bagasse Plates, Bagasse Bowls, Bagasse Cutlery, Clamshell Takeaway Box, Bagasse Lids, Bagasse Cups, Plastic Container, Plastic Sweet Box and Wooden Cutlery that is immensely appreciated in the international market.

We want to reduce garbage, replace plastics with non-toxic alternatives, and make Mother Earth do a little dance as she gets cleaned up. We want to leave the earth better for your kids, their kids, the cows, the turtles, the mangoes... you get the point. Now join us!

What we do offer

We manufacture a wide array of products that are extremely resilient, handy, versatile and durable. We have expertise in creating products with different colour, design, size, shapes and dimensions specially our Bagasse Products that are available in a very wide range. Our products are completely leak-proof, nontoxic, ergonomically built and safe for any kind of beverage or food item.
