Clamp International India was incorporated in the year 1967 at Bangalore, Karnataka by Mr. Radha Krishan Khanna. The company has registered growth rate of 20% annually since its inception. Under the enterprising headship of our CEO Mr. Mohan Lal Khanna, the company has been achieving new milestones in its domain. The following are some of the salient features of the company that set it apart in the market

### ◆ Infrastructure

The company has sound back up of state of the art infrastructure at its manufacturing unit. It is well equipped with various kinds of modern and sophisticated machineries that are required for the bulk production of our products. The latest quality techniques are being followed during different stages of manufacturing.

### ◆ Experience

We have been in the market from last 41 years. With such a vast experience in the field of automotive spares, we have acquired in depth knowledge of the market and have become proficient in identifying the exact need of our valued clients.

### ◆ Network

We have developed a well organized network of dealers and distributors that are spread in the international market. Our market is spread in the countries such as Sri Lanka and Bangladesh. Subsequently, we have become one of the major Spare part Exporters from India.
