

Ajmal Biotech Pvt Ltd.

Focusing on the streamlined administrative red tape, optimization of the administrative system and recreation of a competitive atmosphere, more economic and social effectiveness, equilibrium between government and other economic sectors in the third and fourth five-year economic development plans convinced the government to approve the cession of bitumen production plants.

Company Profile

Incorporated in the year 2007, Ajmal Biotech Pvt Ltd. is based in Mumbai, Maharashtra (India). It is a leading Manufacturer, Exporter and Supplier of Natural Essential Oil, Natural Isolate and Mint Products. All the operations of the company are headed and managed by a team of skilled mentors, including: Mr. Maulana Badruddin Ajmal & Mr. Sirajuddin Ajmal (Director). Their sharp business acumen, excellent managerial skills and rich domain expertise have enabled us to spread a wide network all across the domestic, as well as international market.

OUR TEAM

We are backed by a team of highly dexterous and experience professionals. Our professional team includes experienced farmer, procurement agents, packaging personnel, warehouse agent, quality controllers, marketing agents and so on. Experts in their respective domain, these professionals work in-tandem to bring forth an array of Natural Oil, Natural Isolate and Mint Products for the clients.
