Ambreyo Lifesciences has been working for the health and well-being of the people. We serve medications in the category of Anti-infective, Dermatological, Gastrointestinal, Analgesics, Hypersensitivity, Cardiovascular, Topical Medication, Nutraceutical Products, and Ayurveda, etc. We are contributing at a large scale towards healthcare with better research. Our products are manufactured at one of the best art-of-state manufacturing facilities, which are WHO and GMP-certified units. We provide third-party Pharmaceutical product manufacturing with clear & easy terms and conditions. The company is managed by Miss. Nisha Chauhan. She has an in-depth knowledge of the healthcare industry and has great experience in producing various healthcare and pharmaceutical products. We have our base in Chandigarh and are catering to the needs of numerous customers across India.

We are bedecked with state-of-the-art facilities (WHO and GMP-certified units) and hygienic & advanced methods of production to bring about premium-grade quality. We have a high-tech laboratory which is equipped with all the necessary equipment and technologies in order to produce the best quality products that match the required standards.

All of our products are formulated through several experiments and deep research under the supervision of our professional team. Each of our team members is aware of the company's goals and puts great effort to achieve them.

At Ambreyo Lifesciences, we always look forward to building a long-term, healthy, and mutually beneficial business relationship with our clients.

So, let us know your requirements and we will make you deliver the finest quality healthcare and pharmaceutical products within the promised time limit. In case of any doubt or query, you are free to call us or write us.
