About Us

Situated in Chennai (Tamil Nadu, India), SRIDEVI TRADERS is a well renowned manufacturer, exporter and trader of ethically cultivated whole spices and other agro products that are highly appreciated in the international market for its superior taste, texture, freshness, appearance and aroma. Since we initiated our company in the year 2017, we are plating the world a qualitative range of Black Pepper, White Pepper, Coffee Beans, Coffee Powder, Black Cardamom, Green Cardamom and many other flavourful products.

As a quality centric firm we work in close proximation with only genuine farmers who apply the best technique to grow their produce without any chemical conditioning. This in turn is used to hygienically process and skilfully prepare our products that are not only superior in taste but have a longer shelf life. In order to maintain the excellence of our products we have installed a well-equipped testing facility to check both the raw ingredients and finished products.

In order to serve products that are in accordance to international standards of the food industry, we have hired a large team of food and quality experts who are engaged in each stage of our production process, packaging, warehousing and supply to meet the maximum customer satisfaction. We also provide customizable packaging options of various sizes while ensuring the complete safety of products.

We have also established a state of the art infrastructure that is effectively divided into various units which has allowed us to meet every requirement of our customers in prompt time. Our cutting edge manufacturing facility is endowed with the latest technology and tools that results in defect free products. In addition our company is also backed by a fully furnished storage and packaging unit that is completely conditioned to keep all the products fresh and tempting.

Owing to the excellent marketing skills, effective strategies and expertise of our Owner Karthi, we have marked our reputation as a trusted name that is prominent for providing world class products, prompt delivery, reasonable prices and timely services to our customers across the globe.
