# ABOUT US

Olive International  
MAKE YOUR TRADE EASY

Founded under the sole proprietorship of Mr. Mayur Rabadiya in Jamnagar (Gujarat, India), Olive International is a distinguished exporter and supplier of various metal components that are extensively used in multiple industries all across the world. We deal in a comprehensive range of superior quality Brass Products, Copper Products, Hardware Fittings, Mild Steel Fasteners, Stainless Steel Fasteners, Stainless Steel Turned Parts, Aluminium Nuts, Roberval Scale, Threaded Rods, Wire Rope Accessories and much more.

Our premium range of products are sourced from the most trusted manufacturer and vendors who contain the needed expertise, capacity, network and ethical client approach to provide us best quality products in sufficient quantity and market leading prices.

We are driven to provide products that are manufactured under strict adherence to the international quality standards and norms of this industry. Our products are tested on various parameters of strength, robust structure, dimensional accuracy, corrosion resistance, durability and performance before it is delivered to our customers worldwide.

We are backed by a highly sophisticated infrastructure unit that is well sectioned into warehousing and packaging facility where all the operations are conducted efficiently under the supervisions of our logistics team.

We have a dexterous and motivated team of procurement agents, quality experts, packaging professionals, distribution network, management team, client services etc. who leave no stone unturned to provide the best products and services to our clients in every corner of the world.
