ABOUT US

Situated in Firozabad (Uttar Pradesh, India), Spiceco Foods Private Limited is emerging as the most reputed manufacturer, exporter and trader of various authentic ground spices that are immensely popular in the global market. Since our inception in the year 2021, we are serving the world through a large collection of Amchur Powder, Coriander Powder, Turmeric Powder, Red Chilli Powder, Chaat Masala Powder, Premium Garam Masala Powder, Meat Masala Powder, Raita Masala Powder, Shahi Paneer Masala Powder and many other alluring ground spices.

Owing to the commendable leadership qualities, customer centric policies and in depth marketing expertise of our Managing Director Mr. Anuj Chauhan, over a short span, we have marked our existence in this competitive domain that we are striving to maintain by the following points;

QUALITY ASSURANCE: We have collaborated with a genuine vendor base who grow their produce using ethical practices. We use completely fresh raw ingredients that are handpicked by a dedicated group of food and quality experts which assists us in maintaining the international safety standards of the food industry.

MANUFACTURING PROCESS: In order to manufacture our complete range of extremely aromatic, tempting and flavourful ground spices we have established all the advanced machines and tool in our widespread unit that is operated by a skilled workforce experienced in implementing the best technique to select, clean, dry and process in the right proportion which gives the exact taste, colour, appearance and texture that our customers deserve.

OUR STORING AND PACKAGING: We keep all the ground spices in a well maintained, hygienic and properly conditioned environment away from any decaying factors. Moreover to extend the shelf life and ensure safe delivery we pack all the products in a variety of food grade, temper proof and tightly sealed material.

OUR SERVICES: Our operations are handled by an experienced team of professionals who ensure that prompt delivery, each customization and apt customer engagement is being met with perfection. Our customers can get these products at nominal prices across the globe.
