Based in Agra (Uttar Pradesh), M L Jha & Sons is a name that has earned the respect and trust of its customers due to its quality products and personalized services. The Founder, Mr. Rajeev Kumar through his hard work, dedication, and visionary approach turned the organization into one of the most popular and trusted brands in the market.

What Do We Offer?

The company deals in whole spices and spice powders of premium quality that are way ahead of other brands in terms of quality, freshness, and authentic taste. Each of our products is prepared with utmost care with the motive of providing nothing but the best to our customers. Our product line includes ajwain seeds, white sesame seeds, turmeric fingers, green cardamom pods, flax seeds, fennel seeds, dried red chili, dried garlic, cumin seeds, coriander seeds, clove seeds, cinnamon sticks, brown mustard seeds, black sesame seeds, black pepper seeds, black cardamom pods, asafoetida lumps, yellow mustard seeds, grounded spices, blended spices, and black salt powder. We constantly work towards including new products in our line of products so as to cater to the varied needs of our buyers.

Our Infrastructure:

There is a fully advanced infrastructure at M L Jha & Sons, furnished with all the essential facilities and high-tech spice sorting, grinding, and packaging machines. To get the best possible operational efficiency, we have divided our infrastructure into different sections and streamlined our operations. We have a manufacturing unit, administrative department, packaging and distribution unit which function perfectly to attain our business targets.

Our Workforce:

M L Jha & Sons is endowed with a team of diligent workers who have a good knowledge of this spice business and work with the intention to attain the highest degree of customer satisfaction. Our dedicated & energetic workforce makes wise use of our resources and technology to provide an admirable range of products within the defined timeline.

Quality Assurance:

We ensure that our offered spice products are prepared with genuine ingredients. Since our inception in 2018, we trust only reliable vendors in the market to source our ingredients. Furthermore, we make sure that all of our offered products are absolutely free from dirt and other impurities and are packed in high-quality, tamperproof packaging materials so that their flavor, taste, and freshness remain intact.
