About Us

Based in the capital, NR Enterprises is a well-known organization involved in manufacturing and supplying the finest quality engineered products to our customers. Our product range: GI Tubular pole, GI Octagonal pole, MS Tubular Pole, Decorative pole, Heritage lighting pole, Solar lighting pole, Highmast pole, Flag Pole, Garden light pole, Solar Integrated street light, All in one solar street light, GI Back Box for detectors, GI back box for MCP and hooters, Solar All in one camera, Led flood light etc. Our customers can avail the range of products at market leading prices throughout India.

Owing to an experience of more than ten years in this industry, NR Enterprises proudly introduces itself as a leading manufacturer and supplier of quality products. We have always been committed to deliver only premium quality products to our customers which are highly acknowledged for their impeccable finish, customization and longer functionality.

At NR Enterprises, the products are designed by the assistance of industry professionals who are experts in their respective domain. Besides, we are well-equipped with the latest tools and high tech machineries, thereby enabling you to avail internationally acclaimed quality products. Our quality control personnel are always engaged in enhancing the quality of our products thus, our customers are assured of getting nothing short of the best.

Infrastructure Facilities

In order to ensure that our production processes are effective and efficient, we have invested in our infrastructural facilities. Our machines are built with latest and innovative technology, which result in the products being superior amongst our competitors.

Client Satisfaction

We are backed by a wide distribution channel, which enables us to deliver our consignments in different parts of the nation within the stipulated time-frame. In addition to this, our modern transit facilities allows us to deliver the products safely to our customers with complete client satisfaction.
