Elixir Designs is a new company, incorporated in **2023**, based out of its throbbing city, Mumbai. Releasing and trading artificial earrings in every shade and design, the company has the vision of a perfect combination of style with affordability on its inception in the jewellery market.

Our Mission

Our goal is to offer artfully crafted, quality artificial earrings that are a mirror image of the variety of tastes our clients have. Our product philosophy revolves around bringing out the best value with the highest level of world-class customer service by satisfying the greatest individual desire with each piece that we offer.

Product Range

Elixir Designs houses a comprehensive range of artificial earrings that fit into any worn attire or occasion. Our earrings are carefully designed to suit all kinds of designs, be they ancient or modern, sophisticatedly designed, and intricately finished to capture fashion statements both current and classic.

Quality Assurance

Quality leads in our operations. Every article is subject to stringent quality checks to meet our standards. Also, we source supplies from reasonably reputable suppliers to ensure the durability and strength of each product manufactured.

Customer Satisfaction

Customer satisfaction is one of our topmost priorities. We are trying to have long-lasting customer relationships with personalized service delivery, timely deliveries, and hassle-free shopping. Our dedicated team is always at your service to ensure you receive a timeless shopping experience.
